

NOW, THEREFORE, BE IT RESOLVED by the Legislature of the State of Minnesota that the Congress of the United States be requested to enact federal law which will permit the free flow of pure and wholesome dairy products between the states.

BE IT FURTHER RESOLVED that the Secretary of State be requested to send copies of this resolution to the members of Congress from the State of Minnesota, to the President of the United States, and to the Secretary of Agriculture.

Approved March 21, 1961.

RESOLUTION No. 4—S. F. No. 395

A resolution memorializing the Congress of the United States to provide adequate funds to the appropriate federal agency for the purpose of conducting an up-to-date survey of the Minnesota river within the state of Minnesota, and bringing up to date the report of the chief of engineers, United States Army, dated June 6, 1935, relative to the utility of the river for navigation, flood control and related purposes and the justification of federal fund participation therein.

WHEREAS, under the Flood Control Act, approved by Congress May 15, 1928, a survey of the Minnesota River in Minnesota was conducted, and pursuant thereto the report of the Chief of Engineers, United States Army, dated June 6, 1935, was submitted to Congress, together with accompanying papers and illustrations for the purpose of determining prospective uses of said river for navigation, existing development of its water power, control of floods and the needs of irrigation; and

WHEREAS, certain improvements and works were found to be economically justifiable, but federal participation in the cost thereof was not recommended; and

WHEREAS, there have been great changes in the economic development of the area served by said river, and greatly augmented potentials for use and need of improvements; and

WHEREAS, since the making of the report above referred to certain reservoirs and other improvements have

been created in and along said river, in some of which federal agencies have participated or dominated;

NOW, THEREFORE, BE IT RESOLVED by the Legislature of the State of Minnesota that the Congress of the United States be memorialized to provide adequate funds to the appropriate agency of the United States Government for the purpose of conducting an up-to-date survey and reporting to Congress upon the feasibility of various projects within the scope and function of federal agencies and upon the desirability of and justification for federal participation in the development of such projects.

BE IT FURTHER RESOLVED, that the Secretary of State be instructed to transmit copies of this resolution to the President of the United States and each member of Congress from the State of Minnesota.

Approved April 11, 1961.

RESOLUTION No. 5—S. F. No. 878

A concurrent resolution memorializing the President, the Secretary of Agriculture and the Congress of the United States to increase sugar beet allotments for Minnesota farmers.

WHEREAS, the production of sugar beets and the processing of sugar is vital to the economy of the State of Minnesota in that it provides increased per acre income to farmers, and provides increased employment for labor, and

WHEREAS, the State of Minnesota has available large acreages of land suitable for growing sugar beets, which land is currently used to produce foodstuffs which are already in over supply, and which land is being farmed by individuals who evidence a firm and continuing desire to raise sugar beets, and

WHEREAS, the production of sugar beets in the State of Minnesota is limited by the allotments in force under the Federal laws in such cases made and provided, and

WHEREAS, the domestic consumption of sugar is increasing due to an ever increasing population, and

WHEREAS, it appears the sugar allotments currently in
