(2) Each salary range set forth in clause (1) shall include a minimum salary plus five salary increases, from the minimum to the maximum of the range, each such increase, for the purpose of sections 43.12, subdivision 2 to 43.123, to be termed a step. Each step shall be equal to 4% of the last previous salary rate, subsequently converted to the nearest dollar.

(3) When additional steps shall be required as provided in section 43.123, each additional step shall be computed by adding 4% to the last previous salary rate and subsequently converting to the nearest dollar.

(4) None of the provisions of sections 43.12, subdivision 2, to 43.123, shall apply to employees in the classified service under the state civil service act who are paid on a fee basis, or to such employees who are department heads.

(5) For the purposes of this subdivision, as applied to an employee the words "his former salary" means his adjusted salary within the range of salaries theretofore established for the class of his position; the words "his new range" mean the adjusted salary range established by this subdivision by which the class of his position shall be paid as provided in section 43.123, subdivision 4 and in section 43.121, subdivision 2; and "minimum" and "maximum," used alone, mean respectively, the minimum and maximum salary rates of an adjusted range.

receive either an adjusted salary which is two steps above his former salary or the minimum of his new range, whichever is greater.

Sec. 2. Minnesota Statutes 1961, Section 43.121, Subdivision 3, is amended to read:

Subd. 3. Notwithstanding the provisions of this section, the director may assign the classes of employment which require teaching in an established school program in the institutions of the state under the jurisdiction of the department of public welfare and the ~~youth conservation commission~~ *department of corrections* to salary ranges, which he is hereby authorized to establish. The director may establish such salary ranges by combining any ~~two~~ *three* salary ranges set forth in section 43.12, subdivision 2, ~~in which the minimum salary of the second salary range is approximately the maximum salary of the first salary range in a manner which equates the minimum of each successive range with the maximum of the previous range.~~ Whenever the director assigns classes of employment which require teaching in an established school program to any salary range which he is authorized to establish by this subdivision, he shall prepare schedules showing the salary ranges for each class, grade, or group of positions in the class of positions assigned by him and he shall also prepare schedules showing entrance salaries and step increases based upon qualifications and merit for each class, grade or group of position in the class of positions assigned by him, and all these schedules shall be subject to approval by the board, public hearing and the commissioner of administration in the same manner as governs salary schedules or the assignment of an additional class to the classification plan as provided in subdivisions 1 and 2 hereof.

Sec. 3. Minnesota Statutes 1961, Section 43.29, is amended to read:

43.29 **Accommodations furnished examiners.** The officers having control of public buildings in political subdivisions of the state and school districts shall, upon request of the director of the civil service, furnish *without charge* convenient space for examinations and necessary furniture, heat, and light for accommodation of the local examiners and for the holding of examinations. The director may request state or local officers or employees to aid in carrying out the provisions of this chapter and it shall be the duty of such officers and employees, insofar as it may be consistent with their other duties, to give such aid upon written request of the director.
