Be it enacted by the Legislature of the State of Minnesota:

(3) Comply with all rules and regulations duly promulgated by the commissioner of public welfare.

Sec. 4. [252.24] **Commissioner's duties.** Subdivision 1. **Selection of daytime activity centers.** The commissioner of public welfare shall select those applicants for assistance and grant them assistance, as provided in subdivision 3, whose center location and program, in his opinion, best provides daytime activities for mentally retarded persons within the state appropriation made available for this purpose.

Subd. 2. **Supervision of projects; promulgation of rules and regulations.** The commissioner of public welfare shall closely supervise any daytime activity center receiving a grant under this act. He shall promulgate in the manner provided by law such rules and regulations as are necessary to carry out the purposes of this act, including but not limited to rules and regulations pertaining to facilities for housing activity centers, administration of centers, and eligibility requirements for admission and participation in activities of the center.

Subd. 3. **Payment procedure.** The commissioner of public welfare at the beginning of each fiscal year, shall allocate available funds to activity center programs for disbursement during the fiscal year to those centers that have been selected to receive grants and whose plans and budgets have been approved. The commissioner shall, from time to time during the fiscal year, review the budgets, expenditures and programs of the various centers and if he determines that any amount of funds are not needed for any particular center to which they were allocated, he may, after 30 days' notice, *withdraw such funds as are unencumbered and reallocate them to other centers.* He may withdraw all funds from any center upon 30 days' notice whose program is not being administered in accordance with its approved plan and budget.

The commissioner shall not expend in any fiscal year in any one county an amount in excess of 25 cents per capita of the population in said county. The board of directors of an activity center may, with the approval of the commissioner, charge a reasonable attendance fee, based on the ability of the mentally retarded person, his guardian or family to pay such a fee, provided that no mentally retarded person shall be denied participation in the activities of such a center because of an inability to pay such a fee.

**Sec. 5. [252.25] Board of directors.** Every city, village, town, county or non-profit corporation, or combination thereof, establishing a daytime activity center for the mentally retarded shall, before it comes under the terms of this act, appoint a board of directors for the activity center program. When any city, village, town or county singly establishes such a center, such board shall be appointed by the chief executive officer of the city or village or the chairman of the governing board of the county or town. When any combination of cities, villages, towns, counties or non-profit corporations, establishes such a center, the chief executive officers of the cities, villages or non-profit corporations and the chairman of the governing bodies of the counties or towns shall appoint the board of directors. If a non-profit corporation singly establishes such a center, its chief executive officer shall appoint the board of directors of the activity center. Membership on a board of directors while not mandatory, should be representative of local health, education and welfare departments, medical societies, mental health centers, associations concerned with mental retardation, civic groups and the general public. Nothing in this act shall be construed to preclude the appointment of elected or appointed public officials or members of the board of directors of the sponsoring non-profit corporation to such board of directors.
