are furnished by the United States government; amending Minnesota Statutes 1961, Section 16.32.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Minnesota Statutes 1961, Section 16.32, is amended to read:

16.32 Public buildings; federal funds; plans and specifications; limitations. *Subdivision 1.* The commissioner of administration shall prepare plans for all improvements or buildings costing more than \$1,000, for which he may recommend an appropriation. These plans shall be paid for out of any money in the state treasury, not otherwise appropriated, but when an appropriation has been made for the purpose of constructing such building, the fund from which payment for plans was made shall be reimbursed from such appropriation, and no part of the balance shall be expended until the commissioner has secured suitable plans and specifications, prepared by a competent architect, and accompanied by a detailed statement of the amount, quality, and description of all material and labor required for the completion of the work; and no plan shall be adopted, and no improvement made or building constructed, that contemplates the expenditure for its completion of more money than the appropriation therefor, unless otherwise provided in the act making the appropriation. In no event shall the commissioner direct or permit any expenditure beyond that appropriated or contemplated by law, and any agent of the commissioner violating this provision shall be guilty of a gross misdemeanor.

Subd. 2. Notwithstanding any provision in this section to the contrary, the commissioner may after consultation with the legislative building commission, adopt a plan, provide for an improvement, or construct a building that contemplates expenditure for its completion of more money than the appropriation therefor, if the excess money is provided by the United States government and granted to the state of Minnesota under federal law or any rule or regulation promulgated thereunder. Such federal money, for the purpose of this section, shall be deemed a part of the appropriation for the project.

Approved May 6, 1965.
