Sec. 8. UNEMPLOYMENT COMPENSATION. . 162,119.26

To unemployment compensation fund in reimbursement of unemployment compensation benefits paid for former employees of the following:

Department of Corrections	\$ 7,053.59
Department of Public Welfare	155,065.67

Of the amount provided by Section 8, the sum of \$37,213.16 (department of public welfare) is to be paid from the income tax school fund.

Sec. 9. **Certain funds used for certain purposes.** Upon the approval of the commissioner of public welfare or the commissioner of corrections as to the institutions under their respective control, the superintendent of any such institution for which an appropriation is made herein may pay out of the current expense appropriation of said institution to any employee thereof, the amount of any property damage sustained by such employee, not in excess of \$50 by reason, or as a result of action of any patient or inmate of such institution.

Except at the state prison and state reformatory, profits accrued by reason of operation of diversified labor accounts may be used at the direction of the superintendent of the institution for the purchase of occupational therapy equipment.

Sec. 10. **Approved complement.** Except as otherwise provided herein, whenever an appropriation to any institution or agency for salaries discloses an approved complement, the institution or

agency is limited in the employment of the number of full time equivalent persons indicated by such approved complement. Such approved complement, however, does not include employees engaged in repair or construction projects who may be employed only with the advance approval of the commissioner of administration.

Additional employees over the number of the approved complement may be employed on the basis of public necessity or emergency with the written approval of the governor, but the governor shall not approve such additional personnel until he has consulted with the legislative advisory committee created by Laws 1943, Chapter 594, and such committee has made its recommendation upon the matter. Such recommendation shall be advisory only. Failure or refusal of the committee to make a recommendation promptly shall be deemed a negative recommendation. The provisions hereof shall extend to any other agency to which the present authority of the legislative advisory committee may be transferred, but shall be deemed to be repealed in case such authority shall be abolished.

**Sec. 11. Certain employees.** Provided that none of the moneys appropriated by this act or any other law shall be used to employ maids or personnel with similar domestic duties to work in the residences of any officer or employee of any institution, department or agency of the state. But this provision shall not apply to such persons who pay a fixed monthly fee for board and room and laundry and who obtain their meals from state operated dining rooms.

**Sec. 12. Pay of state officers and employees.** Notwithstanding any provisions of Minnesota Statutes, Chapter 43, to the contrary, moneys appropriated by this act or any other appropriation law for salaries shall be expended only in conformity with the provisions of this section.

(a) None of the moneys appropriated by this act or by any other law shall be expended during the biennium beginning July 1, 1965, for economic salary adjustments notwithstanding the provisions of law relating thereto to the contrary.

(b) Salary increases authorized by the proposed civil service pay plan on file in the office of the commissioner of administration shall be made effective on July 1, 1965.

(c) Merit increases and longevity increases shall not be granted during the fiscal year beginning July 1, 1965. Merit increases and longevity increases may be granted as provided by law during the fiscal year beginning July 1, 1966, to the extent that appropria-

tions are available therefor. Merit increases granted pursuant to this section shall be on the basis of established standards.

(d) The provisions of Minnesota Statutes, Section 43.12, Subdivision 2, Clause (6) are applicable to the foregoing.

**Sec. 13. Salary allotment limitations.** Departments or agencies that are subject to the provisions of Minnesota Statutes, Section 16.16, and that operate in whole or in part with standing appropriations shall be subject to the provisions of this section. For the fiscal year beginning July 1, 1966, the commissioner of administration shall limit the annual quarterly budget allotments for salaries as follows:

(a) In departments or agencies having from 51 to 100 employees and in the state colleges, 75 percent of the total moneys required for the payment of merit increases and longevity increases shall be allotted.

(b) In departments or agencies having 101 or more employees, 50 percent of the total moneys required for the payment of merit increases, longevity increases, and retirement contributions shall be allotted.

**Sec. 14. Annual leave allowances.** None of the moneys appropriated by this act or any other appropriation law shall be expended in paying state officers or employees in the unclassified service for unused portions of annual leave allowances provided for by Minnesota Statutes, Section 351.12, for any greater period of time than is permitted state officers or employees in the classified service.

**Sec. 15. Receipts.** All funds, sums of moneys, or other resources provided or to be received, including all receipts, collections, legislative allocations, transfers and other income and receipts properly belong to and to be used for financing activities, programs and other projects other than the institutions now or hereafter under the supervision and jurisdiction of the commissioner of public welfare not otherwise specifically designated as income or credits to other state departments or funds by law, shall be credited to and become a part of the appropriations provided for in Section 2, Subdivisions 1, 6, 7, 8, 9, 10, 11, 13, 14, 15, 16 and 17.

All receipts of said institutions and activities carried on under the direction of said commissioners of public welfare and corrections shall be deposited in and for the benefit of the general revenue fund, provided however, that this shall not apply to revolving funds now established in institutions under the control of said commissioners; and provided further that this shall not apply to money received in

payment for services of inmate labor employed in the industries carried on in the state reformatory for men, state reformatory for women, and state prison, which receipts shall be credited to the current expense fund of said institutions. There is hereby cancelled into the general revenue fund all money in the possession of the commissioner of public welfare found upon or procured from the sale of personal property of former members of the camp for homeless men operated under the authority of said department.

**Sec. 16. Commissary and quarter allowance.** No commissary privileges, including food, laundry service, and household supplies, shall be furnished to any persons in staff residences or apartments from appropriations made by this act. Youth camp superintendents may be furnished quarters without cost.

For superintendents of youth camps the commissioner of corrections is authorized to grant an allowance of not to exceed \$75 per month.

For physicians living on the ground the commissioners of welfare and corrections are authorized to eliminate the maintenance deduction heretofore made, provide such quarters gratis, and also grant an allowance of not to exceed \$25 per month.

Quarters and a stipend allowance of not to exceed \$75.00 per month may be authorized by the commissioner of welfare for medical students and physician fellows.

The commissioners of public welfare and corrections are authorized to pay out of salary appropriations for the various institutions, to physicians employed in institutions, an allowance of not to exceed \$150 per month, in lieu of free quarters on the grounds, providing such quarters are not available.

Notwithstanding any provision in Minnesota Statutes, Section 246.02, to the contrary, maintenance including food, laundry service, and household supplies shall not be furnished to any officer including, but not limited to, the chief executive officers of the state prison and reformatories.

**Sec. 17. Provisions.** Moneys appropriated under this act for the purchase of provisions within the item "current expense" shall be used solely for that purpose. The amounts appropriated for provisions are shown on the worksheets of the conferees of the senate and house of representatives, a true copy of which is on file in the office of the commissioner of administration. Any money so provided and not used for purchase of provisions shall be cancelled into the fund from which appropriated. Except that money so provided and

not used for the purchase of provisions because of population decreases may be transferred and used for the purchase of medical and hospital supplies after consultation with the legislative advisory committee, whose opinion shall be advisory only.

**Sec. 18. Special equipment.** The amounts appropriated by this act for special equipment at the various state institutions shall be expended in accordance with the priority lists established by the senate and house conference committee, a true copy of which is on file in the office of the commissioner of administration. Expenditures for items of equipment not included on such lists may be made with the approval of the commissioner of administration when justified by special circumstances. Any unexpended balance remaining in the first year shall not cancel but shall be available for the second year of the biennium. The commissioner of public welfare and the commissioner of corrections shall submit to the 1967 legislature itemized lists of special equipment expenditures for each institution under their control.

**Sec. 19. Federal grants.** Grants in aid now or hereafter received from the federal government for any welfare, assistance or relief program or for administration under the jurisdiction of the department of public welfare shall, in the first instance, be credited to a federal grant fund and shall be transferred therefrom to the credit of the commissioner of public welfare in the appropriate account upon certification of the commissioner of public welfare that the amounts so requested to be transferred have been earned or are required for the purposes and programs intended. Moneys received by such federal grant fund need not be budgeted as such, provided transfers from such fund are budgeted for allotment purposes in the appropriate appropriations.

The department of public welfare is authorized and directed to negotiate with the federal government, or any agency, bureau or department thereof, for the purpose of securing or obtaining any grants or aid in the construction of buildings, or the making of the improvements authorized by this act. Any grants or aid thus secured or received are hereby appropriated to said department of public welfare and made available for the uses and purposes for which it was received but shall be used to reduce the appropriations hereinbefore provided unless specifically directed otherwise by the legislative advisory committee.

Grants now or hereafter received from the federal government for any vocational training program or for administration under the jurisdiction of the department of corrections shall, in the first instance, be credited to a federal grant fund and shall be trans-

ferred therefrom to the credit of the commissioner of corrections in the appropriate account upon certification of the commissioner of corrections that the amounts so requested to be transferred have been earned or are required for the purposes and program intended. Moneys received by such federal grant fund need not be budgeted as such provided transfers from such fund are budgeted for allotment purposes in the appropriate appropriation.

**Sec. 20. Budgetary control.** The budgetary control as provided in Laws 1939, Chapter 431, shall extend to and apply to all appropriations herein made available for the fiscal years ending June 30, 1965, June 30, 1966, and June 30, 1967.

All state departments, bureaus, agencies or divisions, operating under Laws 1939, Chapter 431, financed by funds appropriated or receipts or fees of of any nature whatsoever, when making requests or preparing budgets to be submitted to the federal government in support of or in request of funds, equipment, materials, or services, from the federal government shall, upon completion of such request or budget, first submit it to the commissioner of administration. The commissioner of administration shall have authority to approve, disapprove, modify, or amend any such request or budget before submitting it to the proper federal authority. When such federal authority has approved such request or budget, the state agency shall resubmit it to the commissioner of administration for recording before any allotment or encumbrance of the federal funds can be made.

**Sec. 21. Unobligated balances.** The unobligated balances on hand as of June 30, 1965, June 30, 1966, and June 30, 1967, in the several appropriations and accounts for which an appropriation is herein made out of the general revenue fund, or has heretofore been made, are hereby cancelled into the general revenue fund as of June 30, 1965, June 30, 1966, and June 30, 1967, and the unobligated balances on hand as of June 30, 1965, June 30, 1966, and June 30, 1967, appropriated out of any other funds, shall be cancelled into the fund from which they are appropriated as of June 30, 1965, June 30, 1966, and June 30, 1967.

The provisions of this section shall not apply to aid, contributions, or reimbursements received from the federal government by the state or boxing tax receipts transferred to the department of public welfare by the authority of Laws 1945, Chapter 245 and all such federal aid, contributions or reimbursements, and boxing tax receipts are hereby reappropriated for the purpose of supplementing the appropriation herein provided and shall be added to the maximums of the several accounts herein designated.

**Sec. 22. Transfer of funds.** (a) The commissioner of

**Changes or additions indicated by *italics*, deletions by ~~strikeout~~.**

public welfare by direction of the governor after consulting with the legislative advisory committee may transfer unobligated appropriation balances between the various accounts appropriated under Section 2, Subdivisions 6, 7, 8, 9, 10, 11, 13, 14, 15, 16, and 17. Provided further that if the appropriations under Section 2, Subdivisions 7, 9, 10, 11, 13, and 15 should be insufficient for either year, then the appropriation for the other year shall be available therefor by direction of the governor after consulting with the legislative advisory committee.

(b) Authority is hereby granted to the commissioner of public welfare to transfer appropriations not to exceed \$200,000 in any one fiscal year from one institution under his control to any other institution under his control in the best interests of the institutional programs. Such transfer shall be made with the written approval of the governor after consulting with the legislative advisory committee.

(c) Authority is hereby granted to the commissioner of corrections to transfer appropriations not to exceed \$200,000 in any one fiscal year from one organizational unit under his control to any other organizational unit under his control in the best interest of the security and rehabilitation programs and for more efficient utilization of personnel and facilities within the department. Such transfers shall be made with the written approval of the governor after consulting with the legislative advisory committee.

Sec. 23. **[245.75] Federal grants for Indians.** The commissioner of public welfare is authorized to enter into contracts with the department of health, education, welfare and the department of interior, bureau of Indian affairs, for the purpose of receiving federal grants for the welfare and relief of Minnesota Indians. Such contract and the plan of distribution of such funds shall be subject to approval of the Minnesota public relief advisory committee.

Sec. 24. **[33.096] Surplus oleomargarine.** For the purpose of experimentation in the use of oleomargarine in state institutions, the commissioner of public welfare and corrections may accept surplus oleomargarine offered through the school lunch program, provided that butter is unavailable to these institutions through said program. The oleomargarine so received may be served to patients and inmates of state institutions notwithstanding the provisions of any law to the contrary, provided, however, individual servings of oleomargarine shall be triangular in shape.

Sec. 25. **[252.047] Order to pay; limitation upon liability.** Notwithstanding any provisions of Minnesota Statutes, Section 252.043, the commissioner of public welfare shall issue an order to a patient in any state institution for the mentally retarded or epileptic

or the guardian of his estate, if there be one, and relatives determined able to pay requiring them to pay monthly to the state of Minnesota the amounts so determined, the total of which shall not exceed the full cost of care. Such order shall specifically state that the commissioner's determinations shall be conclusive unless appealed from as herein provided. In no case shall the relatives be ordered to pay more for each patient than ten percent of the cost of care but payments in excess thereof may be accepted by the commissioner. When a patient or relative fails to pay the amount due hereunder the attorney general, upon request of the commissioner, may institute, or direct the appropriate county attorney to institute civil action to recover such amount with interest.

**Sec. 26. Refunds.** None of the moneys appropriated by this act or any order law shall be expended in making any refund where the amount thereof is \$1.00 or less except where the amount, received by the state, giving rise to the refund is \$1.00 or less. Such refunds may be made in conformity with requirements made therefor by the commissioner of administration. Such requirements shall be in lieu of the conditions prescribed by Minnesota Statutes, Section 6.136, Subdivision 1.

**Sec. 27. Demonstration project, study of.** The appropriate standing committees for welfare and corrections of the Senate and House are directed to study the feasibility of establishing a demonstration project for intensive treatment in training, habilitating and rehabilitating the severely retarded at the facility now located at Lake Owasso. A report concerning this project shall be made to the 1967 legislature.

Approved May 27, 1965.
