CHAPTER 158—H. F. No. 43

An act relating to the manufacture of motor vehicle license number plates and the financing thereof; amending Minnesota Statutes 1961, Section 168.381.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Minnesota Statutes 1961, Section 168.381, is amended to read:

Changes or additions indicated by italics, deletions by ~~strikeout~~.

168.381 **Motor vehicles; manufacture of motor vehicle license number plates.** ~~Subdivision 1.~~ All number plates required by law shall be manufactured by the state reformatory for men upon order from the registrar of motor vehicles, such order to state the quality of material desired in such plates, the specifications thereof, and the amount or number desired. ~~Upon completion of any order the reformatory shall certify to the commissioner of administration the costs of material, labor, and any additional equipment purchased for fulfillment of such order and said commissioner shall upon approval allocate to the reformatory the sum so certified from the license plate revolving fund herein created. Upon certification of this payment by the commissioner of administration, the state auditor shall transfer an amount equal to the sum paid from the state trunk highway fund to the license plate revolving fund so that the unobligated balance in said fund at the end of each fiscal year shall not be less than \$1,000,000.~~

Subd. 2. There is hereby created in the state treasury a license plate revolving fund for the purpose of enabling the state reformatory for men to manufacture motor vehicle license plates upon order from the registrar of motor vehicles, which shall consist of any appropriation made therefor together with any moneys paid into said fund as provided by this section. Materials purchased to be used in the manufacture of such motor vehicle number plates shall be tested as to conformance with specifications established by the secretary of state and the commissioner of administration in a privately operated laboratory service to be designated by the commissioner. The cost of such laboratory shall be included in the cost of materials purchased. The expenses of the state reformatory in manufacturing number plates shall include the cost of delivery of such number plates to the secretary of state at places which he may designate.

Moneys appropriated to the secretary of state for any fiscal year or years shall be available for allotment, encumbrance, and expenditure from and after the date of the enactment of such appropriation. Materials and equipment used in the manufacture of such number plates are subject to the approval of the commissioner of administration.

Whenever the state reformatory for men certifies to the commissioner of administration that expenses have been incurred for materials, labor, and equipment which may have been purchased for the manufacture of number plates the commissioner of administration may, even though a number plate order has not been completed, approve the certification and direct the state auditor and state treasurer to pay such expenses, or to reimburse the state re-

formatory for men therefor from moneys appropriated by law to the secretary of state for license plates. If the commissioner of administration incurs expenses for materials or for any additional equipment which may have been purchased for the manufacture of number plates he may, in a like manner, direct the auditor and treasurer to pay such expenses.

This section contemplates that moneys to be appropriated to the secretary of state in order to carry out the terms and provisions of this section will be appropriated by the legislature from the highway user tax distribution fund.

Approved April 2, 1965.
