

governmental units may determine that a person is a retired officer or a retired employee if such officer or employee, when employed, received a portion of his income from such governmental subdivisions without regard to the manner of his election or appointment. The appropriate officer of such governmental unit, or those disbursing county extension funds, shall collect from each such retired officer and retired employee who elects to become insured or so protected, on such officer's or employee's written order, all or part of the retired officer's or retired employee's share of such premiums or charges and remit the same to the insurer or company issuing such policy or contract.

Any governmental unit which pays all or any part of such premiums or charges is authorized to levy and collect a tax, if necessary, in the next annual tax levy for the purpose of providing the necessary funds for the payment of such premiums or charges, and such sums so levied and appropriated shall not, in the event such sum exceeds the maximum sum allowed by any law or the charter of a municipal corporation, be considered part of the cost of government of such governmental unit as defined in any tax levy or per capita expenditure limitation; provided at least 50 percent of the cost of benefits on dependents shall be contributed by the retired officer or retired employee or be paid by levies within existing per capita tax limitations.

The word "dependents" as used herein shall mean spouse and minor unmarried children under the age of 19 years actually dependent upon the retired officer or retired employee.
