CHAPTER 415—H. F. No. 829

[Not Coded]

An act relating to Soudan State Park, formerly the Soudan mine; providing for the safety inspection thereof; and appropriating money therefor.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. **[85.187] Soudan State Park; safety inspection.**
Subdivision 1. The provisions of Minnesota Statutes, Sections 180.01 to 180.13, inclusive, do not apply to the Soudan mine, now owned by the state of Minnesota for park purposes, and located in the township in Breitung in St. Louis county.

Subd. 2. In the furtherance of public safety in the Soudan State Park, the department of conservation shall utilize any available services of the safety division of the state industrial commission and shall contract with the county of St. Louis in a sum not exceeding \$500 annually for payment of all reasonable and necessary inspections of said mine and all equipment used therein, as provided by the rules and regulations of the safety division of the state industrial commission. There shall be appropriated to the commissioner of conservation from the general revenue fund of the state of Minnesota the sum of \$500 annually to carry out the purpose of this act.

Subd. 3. If at any time the state industrial commission deems that said mine or its equipment is not safe for public use, the commission shall issue an order that said mine shall be closed, and the public shall be barred therefrom until further order of the commission reopening said mine.

Approved May 13, 1965.
