176.151 Workmen's compensation; radiation; notice of injury; time limitations. The time within which the following acts shall be performed shall be limited to the following periods, respectively:

(2) Actions or proceedings by dependents to determine or recover compensation, two years after the receipt by the commission of written notice of death, given by the employer, but not to exceed six years from the date of the accident. In any such case, if a dependent of the deceased, or any one in his behalf, gives written notice of such death to the commission, the commission shall forthwith give written notice to the employer of the time and place of such death.
