

Subd. 2. **School districts; consolidation.** ~~Acting on his own initiative or~~ Upon a resolution of a school board in the area proposed for consolidation or upon receipt of a petition therefor executed by 25 percent of the voters resident in the area proposed for consolidation or by 50 such voters, whichever is lesser, the county superintendent of the county which contains the greatest land area of the proposed new district shall *forthwith* cause a plat to be prepared. The resolution or petition shall show the approximate area proposed for consolidation. If more than one request for a plat is received by a county superintendent and the requests involve parts of identical districts, he shall *forthwith* prepare a plat which in his opinion best serves the educational interests of the inhabitants of the districts or areas affected. *In counties where the commissioner of education is required to render the services of the county school office, the county auditor shall perform the services specified for the county superintendent in section 122.23 in executing the procedures regarding the consolidation of school districts and election of new school boards when necessary.*

The plat shall show:

- (a) Boundaries of the proposed district, as determined by the county superintendent, and present district boundaries,
- (b) The location of school buildings in the area proposed as a new district and the location of school buildings in adjoining districts,
- (c) Other pertinent information as determined by the county superintendent.
