

prove, the work of improvement to the desired level of operating efficiency. Upon receiving the engineer's report, the board of managers shall set a date for hearing thereon and give notice thereof in the same manner as in the original proceeding on the construction of the work of improvement, as provided in Section 112.52 and Section 112.53. If upon full hearing the board of managers finds that the repair or improvement is in compliance with the provisions, and is necessary to accomplish the purposes of this chapter, and that the cost thereof will not exceed the benefits therefrom, they may order the repair or improvement and assess the benefited properties to defray the cost thereof. The cost will be apportioned and assessed pro rata upon all lands and property as were assessed for the construction of the work of improvement. No single levy for repair or improvement shall exceed the amount of benefits originally determined. The board of managers shall file a copy of the order for levy with the auditor of each county which contains affected properties. The auditor shall extend the levy against affected properties as in proceedings for the levy, assessment and collection of taxes levied in drainage proceedings conducted under Minnesota Statutes, Chapter 106.

Subd. 4. If the managers find that the estimated cost of such repair, including all fees and costs incurred for proceedings relating thereto, is less than ~~\$2,000~~ \$5,000, it may have such work done by day labor without advertising for bids or entering into a contract therefor.
