[Coded]

An act relating to water pollution control; amending Minnesota Statutes 1965, Section 115.44, by adding a subdivision.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Minnesota Statutes 1965, Section 115.44, is amended by adding a subdivision to read:

Subd. 8. Water pollution control; federal provisions. If the commission finds in order to comply with the federal water pollution control act or any other federal law or rule or regulation promulgated thereunder that it is impracticable to comply with the requirements of this section in classifying waters or adopting standards or in meeting any of the requirements thereof, compliance with the

requirements of such section are waived to the extent necessary to enable the commission to comply with federal laws and rules and regulations promulgated thereunder. The commission may classify waters and adopt criteria and standards in such form and based upon such evidence as it may deem necessary and sufficient for the purposes of meeting requirements of such federal laws, notwithstanding any provisions in chapter 115 or any other state law to the contrary. In the event waters are classified, and criteria and standards are adopted to meet the requirements of federal law, the commission shall thereafter proceed to otherwise comply with the provisions of this section which were waived as rapidly as is practicable. This authority shall extend to proceedings pending before the commission at the time this act shall take effect.

Notwithstanding the provisions of subdivision 4, wherever advisable and practicable the commission may establish standards for effluent of disposal systems entering waters regardless of whether such waters are or are not classified.
