tending southerly along Coon Rapids Boulevard to Grouse Street; extending southerly on Grouse Street to 99th Avenue Northwest; extending easterly on 99th Avenue Northwest to Flamingo Street; extending southerly on Flamingo Street and Flamingo Street and Hanson Boulevard extended to the main channel of the Mississippi River and is entitled to elect one senator and two representatives.

The representative districts are divided as follows:

57A. The city of Fridley except precinct 3 of ward 3, and the villages of Spring Lake Park and Mounds View, *and that part of the city of Blaine that is in Ramsey county*, is entitled to elect one representative.

57B. That part of the fifty-seventh legislative district not included in paragraph 57A is entitled to elect one representative.

Sec. 3. **Effective date.** *This act is in effect for the elections of members of the legislature in 1968 for the 1969 regular session, and thereafter.*

Approved May 1, 1967.

CHAPTER 265—S. F. No. 1152

[Not Coded]

An act relating to the city of Two Harbors; authorizing the issuance of bonds to fund outstanding indebtedness.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. **Two Harbors, city of; general purpose bonds.** For the purpose of paying outstanding indebtedness for services, labor, commodities, materials, supplies, and construction heretofore furnished and performed for the city of Two Harbors, in Lake county, as evidenced by claims approved by the city council and orders drawn by its finance committee against the general fund, which orders have been paid from and are now held by other city funds, and for the purpose of funding and extending the period for retirement of such indebtedness, general obligation bonds of the city may be issued in an amount not to exceed \$300,000. Proceedings for the issuance and sale of the bonds shall be taken in accordance with the provisions of Minnesota Statutes, Chapter 475, including the provisions of section 475.58, subdivision 2, but without regard to the ratio which may exist between the gross debt and the assessed value of the city. The
