\$2,000,000 which it would otherwise have been able to raise through tax levies within its statutory maximums. Since serious and unintended harm will be done to the Minneapolis school system unless Special School District No. 1, Minneapolis, be granted emergency borrowing power to recoup the money thus lost to it, **this act is enacted in order to grant emergency borrowing power to the approximate extent of such loss.**

Sec. 2. Certificates of indebtedness authorized. For a period of six months following the effective date of this act, Special School District No. 1, Minneapolis, is authorized to sell and issue its negotiable certificates of indebtedness in a principal amount not exceeding \$2,000,000, maturing no sooner than two years and no later than five years from their date or dates of issue and bearing interest at a rate or rates not exceeding six percent per annum payable semiannually. Any such certificates shall be authorized to be issued by resolution adopted by the affirmative vote of at least two thirds of the members of the board of education of the district, which resolution shall fix the amount, date of issue and maturity, form and other details of the certificates, and shall fix the date, time and place for the sale thereof and direct the clerk to publish a notice of the sale thereof. The notice of sale shall be published at least once in a daily newspaper published in the school district at least three days before the date of sale.

Sec. 3. Sale of certificates. At the time and place fixed for the sale the certificates may be sold by the board, or any three of its members designated by the board, to the bidder offering to purchase them at the price most favorable to the district, which shall not be less than par and accrued interest. The certificates shall be signed in behalf of the district by the chairman and clerk and countersigned by the treasurer and delivered by the treasurer upon receipt of the purchase price. The full faith and credit of the district shall be pledged to the payment of principal and interest on the certificates, and before the certificates are delivered to the purchaser the board shall levy a tax on all taxable property in the district for the years and in the amounts such that, if collected in full, it will be five percent in excess of principal and interest.

Sec. 4. Authority supplemental. The authority herein granted is supplementary to all other powers of the school district with respect to borrowing money, and the tax to be levied for payment of the certificates shall not be subject to any limitation. Proceeds of the certificates shall be disbursed solely for school purposes, but the purchaser of the certificates shall not be obligated to see to such application of the proceeds.

Changes or additions indicated by *italics*, deletions by ~~strikeout~~.

Sec. 5. **When effective.** This act shall become effective when approved by a resolution adopted by a majority vote of the members of the board of education of Special School District No. 1, Minneapolis, and upon compliance with Minnesota Statutes, Section 645.021.
