[Not Coded]

*An act authorizing the commissioner of conservation to complete water control works at Big Stone Lake; and reappropriating money therefor.*

Be it enacted by the Legislature of the State of Minnesota:

Section 1. **Big Stone Lake; water control; appropriation.** The unencumbered balance of the appropriation made to the commissioner of conservation by Laws 1957, Chapter 929, Section 36, Subdivision 2 d for remodeling, extending and completing the water control works at Big Stone Lake is hereby reappropriated to the commissioner of conservation for supplying the sponsors funds required by the federal government for the U. S. corps of engineers project proposal in accordance with plans prepared by the department of army, U. S. corps of engineers to accomplish the above purposes. The commissioner is hereby authorized to transfer such part of those funds to the board of managers of the Big Stone Lake watershed district if and when formed to the extent required under the project agreement or pay such funds to the corps of engineers on behalf of the board of managers.

The appropriation for the project under this act and other laws shall not be canceled prior to the completion of the project. Any moneys not required for the completion of the above project and remaining in the hands of the commissioner at the time of the completion of this project shall by the commissioner be returned to the state treasurer.

Sec. 2. This act is effective upon final enactment.

Approved May 3, 1967.

#### CHAPTER 288—H. F. No. 1510

*An act relating to special assessments for automobile parking facilities; amending Minnesota Statutes 1965, Section 459.14, Subdivisions 3 and 7.*

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Minnesota Statutes 1965, Section 459.14, Subdivision 3, is amended to read:

Subd. 3. **Municipal parking facilities; financing; bonds.** Any municipality to which this section applies may issue bonds for the acquisition, construction, or improvement of automobile parking facilities. Any such bonds shall be authorized and issued and sold in the manner prescribed by the laws of this state or the charter of the municipality for the issuance and authorization of bonds thereof for public purposes generally, except as in this section otherwise provided. The amount of all bonds issued by any such municipality under this section shall not be included in the net indebtedness of the municipality or in any computation of the outstanding indebtedness of the municipality for the purpose of determining the limit of its net indebtedness. Bonds so authorized and issued may be made payable wholly from general ad valorem taxes levied in sufficient amounts upon all taxable properties in the municipality, or wholly from special assessments levied upon properties within one or more parking, benefit districts, or wholly from the net revenues of operations of on-street and off-street facilities, not exceeding the portion of such net revenue available therefor under the charter of the municipality, or such bonds may be made payable from any combination of such sources of income, as specified and defined in the resolution or ordinance authorizing their issuance; provided that bonds may be issued pledging the faith and credit of the municipality for the payment without the prior approval of a majority of the voters of the municipality
