

account of which the interest warrant is drawn. In any county in this state now or hereafter having an assessed valuation of all taxable property, exclusive of money and credits, of not less than \$250,000,000, the county treasurer, in order to save payment of interest on county warrants drawn upon a fund in which there shall be temporarily insufficient money in the treasury to redeem the same, may borrow temporarily from any other fund in the county treasury in which there is a sufficient balance to care for the needs of such fund and allow a temporary loan or transfer to any other fund, and may pay such warrants out of such funds. Any such money so transferred and used in redeeming such county warrants shall be returned to the fund from which drawn as soon as money shall come in to the credit of such fund on which any such warrant was drawn and paid as aforesaid. Any county operating on a cash basis may use a combined form of warrant or order and check, which, when signed by the chairman of the county board and by the auditor, is an order or warrant for the payment of the claim, and, when countersigned by the county treasurer, is a check for the payment of the amount thereof.
