chiatrists at state institutions and only such funds as are necessary shall be transferred to those institutions where the psychiatrists are employed.

Subd. 4. Community Mental Health Centers .....	1,500,000	1,770,000
--	-----------	-----------

Any unexpended balance remaining in the first year shall not cancel but shall be available for the second year of the biennium.

The community mental health centers may accept cases from juvenile courts for diagnostic evaluation.

Approved Complement—4

Subd. 5. Hospital Care .....	50,000
------------------------------	--------

The amount appropriated by this item shall be used to cover the expense of hospital care for patients and inmates furnished in hospitals not under supervision of the commissioner of public welfare. Any unexpended balance remaining in the first year shall not cancel but shall be available for the second year of the biennium. All reimbursements received for such medical services shall be credited to this account and become a part thereof.

Subd. 6. Care and Support of Children Under Guardianship of the Commissioner of Public Welfare .....	685,000	685,000

purchase of equipment and supplies for establishing and operating of vending stands by blind persons. All income, receipts earnings and federal grants due to the operation thereof shall also be paid into said fund, and all equipment, supplies and expenses for the setting up of such stands to be so operated, shall be paid from said fund.

Subd. 13. Care, Relief and Support of the Disabled .....	1,575,000	1,700,000
Subd. 14. Equalize the Cost of Welfare .....	1,300,000	1,300,000

All payments from funds appropriated by this subdivision shall be based upon a formula which will provide:

(a) Where the required total mill levy for all costs of welfare, as defined in item (b) hereof, in any county with an assessed valuation for real and personal property of less than \$13,000,000 exceeds the average required mill levy for welfare purposes in all counties of the state by 50 percent or more but is insufficient to pay the county's share of the cost thereof, the state may bear 75 percent of the costs of welfare in that county which is in excess of the amount which would be produced by a levy in that county of one and one-half times the average required state mill levy for such purpose.

(b) For the purposes of this act, welfare costs shall be deemed to include all forms of public assistance and the administrative costs thereof, to wit; old age assistance, medical assistance to the needy, aid to dependent children, aid to the permanently and totally disabled, aid to the blind, payments to the commissioner of public welfare for care and treatment of patients in state institutions, maintenance relief, medical relief, tuberculosis sanatoria care, hospital charges, maintenance of children not under state guardianship, cost of sundry poor, and all administrative costs except university hospitals care, care of children under state guardianships, and poor burials.

(c) No county shall be entitled to the benefits of this act if it has transferred any moneys available for welfare pur-

poses to any other county funds, except that a transfer of a surplus in the welfare fund may be made to the road and bridge fund of said county, and except that where funds are otherwise unavailable a transfer may also be made to the general revenue fund of said county for payment of rent of office space for the county welfare board. Such transfers shall be made only with the approval of the governor after consultation with the Minnesota public relief advisory committee. Provided further that such transfer of funds for payment for rent shall not be considered an expenditure for equalization aid reimbursement. Any federal funds received in lieu of taxes because of federal grants shall be available for welfare purposes.

(d) No county shall receive less than 80 percent of the amount received in the preceding year.

(e) The commissioner of public welfare may advance such grants on an estimated basis subject to audit and adjustment at the end of each year.

Subd. 15. Relief Purposes—Distribution of Surplus Commodities . . . . .	25,000	25,000
---	--------	--------

The moneys appropriated by this item shall be expended solely for expenses incurred in distributing surplus commodities furnished by the federal government to the counties.

tion of said institution to any employee thereof, the amount of any property damage sustained by such employee, not in excess of \$50 by reason, or as a result of action of any patient or inmate of such institution.

Except at the state prison and state reformatory, profits accrued by reason of operation of diversified labor accounts may be used at the direction of the superintendent of the institution for the purchase of occupational therapy equipment.

**Sec. 9. Approved complement.** Except as otherwise provided herein, whenever an appropriation to any institution or agency for salaries discloses an approved complement, the institution or agency is limited in the employment of the number of full time equivalent persons indicated by such approved complement. Such approved complement, however, does not include employees engaged in repair or construction projects who may be employed only with the advance approval of the commissioner of administration.

Additional employees over the number of the approved complement may be employed on the basis of public necessity or emergency with the written approval of the governor, but the governor shall not approve such additional personnel until he has consulted with the legislative advisory committee created by Laws 1943, Chapter 594, and such committee has made its recommendation upon the matter. Such recommendation shall be advisory only. Failure or refusal of the committee to make a recommendation promptly shall be deemed a negative recommendation. The provisions hereof shall extend to any other agency to which the present authority of the legislative advisory committee may be transferred, but shall be deemed to be repealed in case such authority shall be abolished.

**Sec. 10. Certain employees.** Provided that none of the moneys appropriated by this act or any other law shall be used to employ maids or personnel with similar domestic duties to work in the residences of any officer or employee of any institution, department or agency of the state. But this provision shall not apply to such persons who pay a fixed monthly fee for board and room and laundry and who obtain their meals from state operated dining rooms.

**Sec. 11. Pay of state officers and employees.** Notwithstanding the provisions of any legislation enacted in the current session or any other statute previously enacted, an employee hired subsequent to June 30, 1966, at a rate above the minimum rate for his class, other than those hired at an approved in-range hiring rate, shall receive an adjusted salary bearing the same relation to the minimum of his new range as his salary at the time of appointment bore to the minimum of his former range except that no such adjustment

shall exceed 12 percent nor shall be to a rate lower than the minimum of the new range. Any adjustment made under the provisions of Laws 1967, Chapter 193, Section 2, Subdivision 2 (6) (b) that falls off step in the B range shall be advanced to the next higher step.

**Sec. 12. Salary allotment limitations.** Departments or agencies that are subject to the provisions of Minnesota Statutes, Section 16.16, and that operate in whole or in part with standing appropriations shall be subject to the provisions of this section. For the biennium beginning July 1, 1967, the commissioner of administration shall limit the annual quarterly budget allotments for salaries as follows:

(a) In departments or agencies having from 51 to 100 employees and in the state colleges, 75 percent of the total moneys required for the payment of salary increases shall be allotted.

(b) In departments or agencies having 101 or more employees, 50 percent of the total moneys required for the payment of salary increases shall be allotted.

**Sec. 13. Receipts.** All funds, sums of moneys, or other resources provided or to be received, including all receipts, collections, legislative allocations, transfers and other income and receipts properly belong to and to be used for financing activities, programs and other projects other than the institutions now or hereafter under the supervision and jurisdiction of the commissioner of public welfare not otherwise specifically designated as income or credits to other state departments or funds by law, shall be credited to and become a part of the appropriations provided for in section 2, subdivisions 1, 6, 7, 8, 9, 11, 12, 13, 14, and 15.

All receipts of said institutions and activities carried on under the direction of said commissioners of public welfare and corrections shall be deposited in and for the benefit of the general revenue fund, provided however, that this shall not apply to revolving funds now established in institutions under the control of said commissioners; and provided further that this shall not apply to money received in payment for services of inmate labor employed in the industries carried on in the state reformatory for men, state reformatory for women, and state prison, which receipts shall be credited to the current expense fund of said institutions. There is hereby cancelled into the general revenue fund all money in the possession of the commissioner of public welfare found upon or procured from the sale of personal property of former members of the camp for homeless men operated under the authority of said department.

**Sec. 14. Commissary and quarter allowance.** No commis-

sary privileges, including food, laundry service, and household supplies, shall be furnished to any persons in staff residences or apartments from appropriations made by this act. Youth camp superintendents may be furnished quarters without cost.

For superintendents of youth camps the commissioner of corrections is authorized to grant an allowance of not to exceed \$75 per month.

For physicians living on the grounds the commissioners of welfare and corrections are authorized to eliminate the maintenance deduction heretofore made, provide such quarters gratis, and also grant an allowance of not to exceed \$25 per month.

Quarters and a stipend allowance of not to exceed \$75 per month may be authorized by the commissioner of welfare for medical students and physician fellows.

The commissioners of public welfare and corrections are authorized to pay out of salary appropriations for the various institutions, to physicians employed in institutions, an allowance of not to exceed \$150 per month, in lieu of free quarters on the grounds, providing such quarters are not available. The commissioner of corrections is authorized to pay out of salary appropriations for the applicable institutions, to the warden of Minnesota state prison and the superintendent of the state reformatory for men, an allowance of not to exceed \$150 per month in lieu of free quarters on the ground, notwithstanding the availability of such quarters.

Notwithstanding any provision in Minnesota Statutes, Section 246.02, to the contrary, maintenance including food, laundry service, and household supplies shall not be furnished to any officer including, but not limited to, the chief executive officers of the state prison and reformatories.

Sec. 15. **Provisions.** Moneys appropriated under this act for the purchase of provisions within the item "current expense" shall be used solely for that purpose. The amounts appropriated for provisions are shown on the worksheets of the conferees of the senate and house of representatives, a true copy of which is on file in the office of the commissioner of administration. Any money so provided and not used for purchase of provisions shall be cancelled into the fund from which appropriated. Except that money so provided and not used for the purchase of provisions because of population decreases may be transferred and used for the purchase of medical and hospital supplies after consultation with the legislative advisory committee, whose opinion shall be advisory only.

**Changes or additions indicated by *italics*, deletions by ~~strikeout~~.**

Sec. 16. **Special equipment.** The amounts appropriated by this act for special equipment at the various state institutions shall be expended in accordance with the priority lists established by the senate and house conference committee, a true copy of which is on file in the office of the commissioner of administration. Expenditures for items of equipment not included on such lists may be made with the approval of the commissioner of administration when justified by special circumstances. Any unexpended balance remaining in the first year shall not cancel but shall be available for the second year of the biennium. The commissioner of public welfare and the commissioner of corrections shall submit to the 1969 legislature itemized lists of special equipment expenditures for each institution under their control.

Sec. 17. **Federal grants.** Grants in aid now or hereafter received from the federal government for any welfare, assistance or relief program or for administration under the jurisdiction of the department of public welfare shall, in the first instance, be credited to a federal grant fund and shall be transferred therefrom to the credit of the commissioner of public welfare in the appropriate account upon certification of the commissioner of public welfare that the amounts so requested to be transferred have been earned or are required for the purposes and programs intended. Moneys received by such federal grant fund need not be budgeted as such, provided transfers from such fund are budgeted for allotment purposes in the appropriate appropriations.

The department of public welfare is authorized and directed to negotiate with the federal government, or any agency, bureau or department thereof, for the purpose of securing or obtaining any grants or aid in the construction of buildings, or the making of the improvements authorized by this act. Any grants or aid thus secured or received are hereby appropriated to said department of public welfare and made available for the uses and purposes for which it was received but shall be used to reduce the appropriations hereinbefore provided unless specifically directed otherwise by the legislative advisory committee.

Grants now or hereafter received from the federal government for any vocational training program or for administration under the jurisdiction of the department of corrections shall, in the first instance, be credited to a federal grant fund and shall be transferred therefrom to the credit of the commissioner of corrections in the appropriate account upon certification of the commissioner of corrections that the amounts so requested to be transferred have been earned or are required for the purposes and program intended. Moneys received by such federal grant fund need not be budgeted as such provided trans-

fers from such fund are budgeted for allotment purposes in the appropriate appropriation.

**Sec. 18. Budgetary control.** The budgetary control as provided in Laws 1939, Chapter 431, shall extend to and apply to all appropriations herein made available for the fiscal years ending June 30, 1967, June 30, 1968, and June 30, 1969.

All state departments, bureaus, agencies or divisions, operating under Laws 1939, Chapter 431, financed by funds appropriated or receipts or fees of any nature whatsoever, when making requests or preparing budgets to be submitted to the federal government in support of or in request of funds, equipment, materials, or services, from the federal government shall, upon completion of such request or budget, first submit it to the commissioner of administration. The commissioner of administration shall have authority to approve, disapprove, modify, or amend any such request or budget before submitting it to the proper federal authority. When such federal authority has approved such request or budget, the state agency shall resubmit it to the commissioner of administration for recording before any allotment or encumbrance of the federal funds can be made.

**Sec. 19. Unobligated balances.** The unobligated balances on hand as of June 30, 1967, June 30, 1968, and June 30, 1969, in the several appropriations and accounts for which an appropriation is herein made out of the general revenue fund, or has heretofore been made, are hereby cancelled into the general revenue fund as of June 30, 1967, June 30, 1968, and June 30, 1969, and the unobligated balances on hand as of June 30, 1967, June 30, 1968, and June 30, 1969, appropriated out of any other funds, shall be cancelled into the fund from which they are appropriated as of June 30, 1967, June 30, 1968, and June 30, 1969.

The provisions of this section shall not apply to aid, contributions, or reimbursements received from the federal government by the state or boxing tax receipts transferred to the department of public welfare by the authority of Laws 1945, Chapter 245 and all such federal aid, contributions or reimbursements, and boxing tax receipts are hereby reappropriated for the purpose of supplementing the appropriation herein provided and shall be added to the maximums of the several accounts herein designated.

**Sec. 20. Transfer of funds.** (a) The commissioner of public welfare by direction of the governor after consulting with the legislative advisory committee may transfer unobligated appropriation balances between the various accounts appropriated under section 2, subdivisions 6, 7, 8, 9, 11, 12, 13, 14, and 15. Provided further that if the appropriations under section 2, subdivisions 7, 8, 9, 11, and 13

**Changes or additions indicated by *italics*, deletions by ~~strikeout~~.**

should be insufficient for either year, then the appropriation for the other year shall be available therefor by direction of the governor after consulting with the legislative advisory committee.

(b) Authority is hereby granted to the commissioner of public welfare to transfer appropriations not to exceed \$200,000 in any one fiscal year from one institution under his control to any other institution under his control in the best interests of the institutional programs. Such transfer shall be made with the written approval of the governor after consulting with the legislative advisory committee.

(c) Authority is hereby granted to the commissioner of corrections to transfer appropriations not to exceed \$200,000 in any one fiscal year from one organizational unit under his control to any other organizational unit under his control in the best interest of the security and rehabilitation programs and for more efficient utilization of personnel and facilities within the department. Such transfers shall be made with the written approval of the governor after consulting with the legislative advisory committee.

Sec. 21 [245.031] **Transfer of personnel.** (a) Notwithstanding any other law to the contrary, the commissioner of public welfare may transfer authorized positions between institutions, for the mentally ill and/or the mentally retarded and epileptic under his control in order to more properly staff the institutions because of changes in population.

(b) Notwithstanding any other law to the contrary, the commissioner of corrections may transfer authorized positions between institutions under his control in order to more properly staff the institutions because of changes in population.

(c) Such transfers of personnel shall be made only with the approval of the governor after consulting with the legislative advisory committee.

Sec. 22. In the interests of efficient administration of the provisions of section 2, subdivision 9, "Medical Assistance to the Needy", the commissioner of public welfare may require such reports, information, and audits of nursing homes and hospitals as he deems necessary.

Sec. 23. [245.032] **Designating special units.** Notwithstanding any provision of law to the contrary the commissioner of public welfare, upon the approval of the governor with the advice of the legislative advisory committee, may designate portions of hospitals for the mentally ill under his control as special care units for

the mentally retarded or as nursing homes for persons over the age of 65.

Sec. 24. [242.386] **Reception and diagnostic center, delivery of children and youths.** Notwithstanding any provisions to the contrary in Minnesota Statutes 1965, Section 242.385, children and youths committed to the youth conservation commission by any juvenile court need not be delivered or sent to the youth conservation commission reception and diagnostic center.

Sec. 25. [245.033] **Payments under manpower development training act excluded from computation of need under certain assistance acts.** With respect to any program of old age assistance, medical assistance, aid to families with dependent children, aid to the blind, or aid to the disabled, administered pursuant to Minnesota Statutes, Chapters 245, 256, or 256A, or any program of relief of the poor administered pursuant to Minnesota Statutes, Chapters 261, 262, and 263, the following amounts are excluded from a person's income or resources for the purposes of determining the person's need under any of the above mentioned programs:

(1) \$20 per week training incentive allowance under the Manpower Development and Training Act of 1962, as amended, and

(2) Such sums as are paid to defray training expenses under the same act.

Sec. 26. [256.012] **Payments under elementary and secondary education act excluded from computation of need for purposes of aid to families with dependent children.** The first \$85 earned in any month, for a period not to exceed 24 months, for services rendered to any program assisted under Title I of the Elementary and Secondary Education Act of 1965, as amended, is excluded from a person's earnings for the purposes of determining his or her need under the program of aid to families with dependent children, and similarly is excluded in determining the need of any dependent of such a person.

Sec. 27. [43.051] [Subd. 2.] **Compulsory retirement exclusion.** Notwithstanding any provision to the contrary, a physician in the classified or unclassified state service may upon reaching the age of 70 years continue to be employed in the department of public welfare or one of its institutions subject to annual certification by *the commissioner upon the recommendation of the medical policy directional committee on mental health.*

Sec. 28. Notwithstanding Laws 1965, Chapter 755, Section 6, the provisions of said Chapter 755 are extended to July 1, 1969,

CHAPTER 742—H. F. No. 2136

[Not Coded]

*An act relating to the fire department relief association and firemen's service pensions in the village of New Brighton.*

Be it enacted by the Legislature of the State of Minnesota:

Section 1. **New Brighton, village of; firemen's relief association, service pensions.** Subdivision 1. The fire department relief association of the village of New Brighton may pay firemen's service pensions in excess of the amounts authorized by Minnesota Statutes, Section 69.06 but not in excess of the following total amounts: \$80 per month, as hereinafter authorized, or as may be provided by its bylaws, to each of its members who has heretofore retired or may hereafter retire, who has reached or shall hereafter reach the age of 50 years and who has done or hereafter shall do active duty for 20 years or more as a member of the volunteer, paid or partially paid and partially volunteer, fire department in the village of New Brighton, and who has been or shall hereafter be a member of the fire department relief association at least ten years prior to such retirement and who complies with such additional conditions as to age, service, and membership as may be prescribed by the certificate or bylaws of the association.

The amount of monthly pension which may be paid to such retired firemen may be increased by adding to the maximum above prescribed an amount not exceeding \$4 per month for each year of active duty over 20 years of service before retirement; provided, that such fire department relief association shall not pay to any member thereof a pension in any greater amount than the sum of \$120 per month.

Such fire department relief association where the majority of of its members are volunteer firemen may provide in its certificate of incorporation or bylaws for a service pension in an amount not exceeding \$400 per year of service to be paid in a lump sum where the retiring member qualifies for a service pension under the provisions hereinbefore set forth, and the member elects by written appli-
