(b)   Before the first day of September in each year the judges shall select from the qualified electors of the county of St. Louis a list of persons properly qualified to serve as petit jurors and certify the list to the clerk of the municipal court. If there be a deficiency of persons on the list, the judges may select from the qualified electors of the county additional persons to cover the deficiency and certify and deliver to the clerk a supplementary list which shall thereafter stand as part of the original list. The validity of the selection is not affected by the fact that any person selected is disqualified from serving as a juror. Petit jurors shall be drawn from such list and summoned as the judges direct. The clerk shall issue venires for the jurors drawn which shall be returnable on such dates and hours and places as the judges direct. No person shall be drawn as a juror more than once in two years. When necessary the court may issue a special venire.

(c)   If a court rule so providing is adopted by a majority of the judges of the district court and also by a majority of the judges of the municipal court, all petit jurors to serve in the municipal court of the city of Duluth may be selected from the petit jurors summoned for jury service by the district court of St. Louis county. The rule may provide the manner in which jurors for the municipal court shall be selected from the jurors summoned by the district court and the period of time during which they shall serve in municipal court. The rule may be amended by a majority of the judges of the district court and a majority of the judges of the municipal court. It may be rescinded entirely at any time by a majority of the judges of either court. The rule may be made effective on any date and shall then supersede any jury list for municipal court theretofore in effect. If the rule be rescinded the judges of the municipal court may reinstate any jury list drawn for that year by the judges of municipal court or prepare a new jury list. The petit jurors summoned for service in both courts shall have the same qualifications and shall be selected by the district court under the same procedure as is now provided by law for selecting jurors for service in the district court.
