The headnotes in **Boldface Type** are inserted as required by law but are no part of the chapter, section, or subdivision in which they appear.

~~Strike outs~~ indicate matter deleted by amendment to an existing provision of law.

Italics indicate new matter inserted by amendment to an existing provision of law.

The words [Coded] or [Coded in part] in a new enactment indicate that the sections will appear for the first time in the next edition of Minnesota Statutes. The section numbers in brackets [26.12] are the preliminary numbers assigned for such edition. The final assignment of coding of session laws appearing in sections of Minnesota Statutes will be listed in tables contained in the next edition of Minnesota Statutes.
