Should any city, village, or borough not agree that the portion of the roadway which passes through it shall revert to county jurisdiction, such portion shall not so revert, although such other portions of the roadway as to which agreement has been had shall revert to county jurisdiction.* Notwithstanding the other provisions of this chapter or other applicable laws and regulations, the governor, in behalf of the state and upon recommendation of the commissioner, may convey and quitclaim to a county, city, village, borough or other political subdivision all or part of the right of way of the existing road that is no longer a part of the trunk highway by reason of the commissioner's order or orders.
