and shall include all members of the electrical and mechanical divisions of such fire department and all others who are subject to like hazards. Substitutes and persons employed irregularly from time to time shall not be included. *The term "fireman" shall also include those persons covered under the provisions of Laws 1955, Chapter 375, as amended, at the time of transfer from the bureau of police and fire alarm telegraph of the department of public safety to the department of public works and carried on a public works department payroll after such transfer.*

The association shall establish a firemen's pension fund or continue to maintain the firemen's pension fund now existing in such city and shall have the management and control of any such fund. All persons who are members of an existing firemen's relief association in such city shall continue as members of the relief association established under this act.

Any person entitled to a pension under the provisions of this act shall have and retain the right to waive all or any portion of benefits granted herein by written notice to said association. The amount of pension so waived shall not accrue to the credit of the pensioner, but upon written notice to the association cancelling such waiver, said pensioner shall thereafter receive the monthly pension to which he may be entitled under the provisions of this act.

Sec. 2. This act shall become effective only after its approval by a majority of the governing body of the city of Saint Paul and upon compliance with the provisions of Minnesota Statutes, Section 645.021.

Approved May 23, 1969.
