

Subd. 6. **Streets and parks; land acquisition; percentage payment by city.** The city council may provide, in all cases, except motor vehicle parking lots, by the resolution appointing such commissioners, that a certain specified percentage, not exceeding 75 percent, of the total damages and costs ~~of paving, of curbs, or of curbs and gutters, and 33 1/3 percent of all other improvements,~~ shall in any case be payable out of the city's general funds, and in that case the city's share either shall be added to the amount of the certificates to be issued and sold under section 430.12, or shall be provided by the issue of general obligation permanent improvement bonds and the city council shall from year to year levy a sufficient tax upon the taxable property of the city to pay the same with interest. In such case the amount provided to be paid out of the general funds shall not be assessed.

Approved May 23, 1969.

CHAPTER 679—H. F. No. 2395

[Coded]

An act relating to retirement; providing for the application of laws relating to police and firemen's retirement in certain municipalities.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. **[69.79] Police and firemen's pensions; application of law; change in status of municipality, effect upon existing law.** Notwithstanding any other provision of law, no pension plan for policemen or paid firemen shall hereafter be established in any municipality by operation of law as a result of change in its population or its conversion from a village to a city. In any such case firemen's and policemen's pension laws previously applicable to the municipality shall remain applicable as if there had been no change in the class or legal status of the municipality.

Approved May 23, 1969.
