

A trailer of the kind described in section 168.013, subdivision 1, paragraph 2, that is pulled by a recreational vehicle shall be taxed and registered in accordance with that paragraph.

Sec. 4. *This act applies to recreational vehicles registered for 1970 and succeeding years.*

Approved May 27, 1969.

CHAPTER 825—S. F. No. 1541

[Not Coded]

An act relating to the control of water pollution; appropriating money and authorizing state grants in aid for the payment of interest on loans made by political subdivisions of the state for the acquisition and betterment of public lands and buildings and other public improvements of a capital nature needed for the purposes of the control of water pollution.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. **[116.15] Crystal waters act; appropriation.**
Subdivision 1. Upon determination by the pollution control agency, on application by any other public agency or political subdivision of the state responsible for the acquisition or betterment and financing of any water pollution control project, comprising treatment works, interceptors, sewers, or appurtenant facilities, that the project is eligible under federal statutes and regulations for a grant of funds by any agency of the federal government in aid of the completion thereof, a state grant in aid for the payment of interest may be made from the appropriation made by this section in anticipation of the receipt of the federal grant, upon the conditions and in the manner stated in this section. Such determination may be made before the actual commitment of federal funds, if the federal agency concerned has stated that the project falls under possible grant reimbursement provisions of federal law, and if in the judgment of the pollution control agency a federal grant offer should be recommended when grant funds can be certified as available for the project.

Subd. 2. The director shall certify to the pollution control agency, and shall receive from the applicant copies of all such documents as the agency considers necessary and proper to establish:

Changes or additions indicated by *italics*, deletions by ~~strikeout~~.

(1) The general nature, location, and estimated total cost of the land, buildings, or capital improvements constituting the project;

(2) The federal agency to which the grant application has been submitted, the approval or determination of eligibility of the project by that agency, whether preliminary or final, the nature and probable cost of the facilities considered to be eligible for the grant, and the estimated amount of the grant;

(3) As to any project eligible for a grant of federal funds appropriated to the pollution control agency under Minnesota Statutes, Section 116.03, Subdivision 3, its priority of need relative to other such projects;

(4) The amounts and sources of funds of the applicant which are appropriated and available or are authorized to be borrowed to pay the cost of the project in excess of the grant;

(5) The probable dates of site acquisition and contracts for and completion of phases of construction; and

(6) The probable dates and amounts of disbursement of the federal grant.

Subd. 3. The pollution control agency may make the state grant in aid for the payment of interest on funds borrowed for any project in an amount not exceeding the amount that the project is eligible, after consideration of the following factors, no one of which shall necessarily control its decision:

(1) The probability and probable time of approval of a federal grant in a specific amount for disbursement from appropriated funds allocated to the project;

(2) The priority of need for the project in relation to other projects eligible for grants subject to approval by the pollution control agency;

(3) The readiness of the responsible agency or subdivision to proceed with the project; and

(4) The ability of the responsible agency or subdivision to finance the eligible cost of the project itself without state costs.

Subd. 4. All expenses of the pollution control agency in administering the appropriation made by this act are payable therefrom.

Sec. 2. [116.15] [Subd. 5.] There is appropriated to the pollution control agency from the general fund in the state trea-

sure the sum of \$1,500,000 for the purpose of carrying out the terms and provisions of section 1.

None of such funds shall cancel but shall be available for the purposes of making state grants in aid for the payment of interest to those eligible therefor until the full amount has been expended.

Sec. 3. [116.15] [Subd. 6.] This act may be cited as the Crystal Waters Act.

Sec. 4. This act is in effect on and after July 1, 1969.

Approved May 27, 1969.

CHAPTER 826—S. F. No. 1557

[Coded in Part]

An act relating to tort liability of cities, villages, boroughs, counties, towns, public authorities, certain public corporations, school districts and other political subdivisions of the state; amending Minnesota Statutes 1967, Sections 466.12, Subdivisions 3 and 4, and adding subdivisions thereto; and 466.13, Subdivision 4.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. Minnesota Statutes 1967, Section 466.12, Subdivision 3, is amended to read:

Subd. 3. **Political subdivisions; tort liability; insurance.** ~~A school district or~~ A town not exercising the powers of a village may procure insurance as provided for in section 466.06, and if a ~~school district or~~ town not exercising the powers of a village procures such insurance it shall otherwise be subject to all the terms and provisions of sections 466.02 to 466.09 to the extent of the liability coverage afforded. Cancellation or expiration of any liability policy shall restore immunity as herein provided as of the date of such cancellation or expiration.

Sec. 2. Minnesota Statutes 1967, Section 466.12, is amended by adding a subdivision to read:

Subd. 3a. A school district shall procure insurance as provided in section 466.06, meeting the requirements of section 466.04, if it is able to obtain insurance and the cost thereof does not exceed \$1.50 per pupil per year for the average number of pupils. If, after a
