

In any case in which compliance with the foregoing restrictions will create an unnecessary hardship and failure to comply does not interfere with the purpose of the subdivision regulations, the board may waive such compliance by adoption of a resolution to that effect and the conveyance may then be filed or recorded. Any owner or agent of the owner of land who conveys a lot or parcel in violation of the provisions of this subdivision shall forfeit and pay to the county a penalty of not less than \$100 for each lot or parcel so conveyed. A county may enjoin such conveyance or may recover such penalty by a civil action in any court of competent jurisdiction.
