(3)	Archaeology site work .....	41,500
(4)	Contingent fund .....	30,000

Changes or additions indicated by underline, deletions by ~~strikeout~~.

Sec. 9. Notwithstanding any provision of Minnesota Statutes, Section 16.17, all the money appropriated by section 2 shall be deemed for construction, repairs, or other building improvements and shall be available until the purposes for which the appropriation was made shall have been accomplished or abandoned. The moneys appropriated by sections 3, 4, 5, 6, 7, and 8 not expended or encumbered shall cancel on June 30, 1973.

Sec. 10. If moneys are appropriated during the same or different sessions of the legislature for the same or related projects which appropriations do not lapse until the purposes for which the appropriations were made shall have been accomplished or abandoned, the state auditor shall, upon the certification of the commissioner of administration as to the accounts involved, make such transfers of appropriations as will place in one account all of the moneys appropriated for the same or related projects.

Sec. 11. In the case of appropriations made for construction or other permanent improvement, including acquisition of real estate, equipment, repair, rehabilitation, appurtenances or utility systems, which appropriations do not lapse until the purposes for which the appropriations were made shall have been accomplished or abandoned, the commissioner of administration may dispense with periodic allotment and shall prescribe such regulations as will insure proper application and encumbrance of funds.

Sec. 12. Subdivision 1. Upon the awarding of final contracts for the completion of any projects enumerated in section 2 of this act, the commissioner of administration may transfer any unexpended funds in said project to any other project therein enumerated.

Subd. 2. The balance of each appropriation made by this and any prior act to the commissioner of administration from the general fund for construction, repairs, and other permanent improvements, remaining when the specific purpose of such appropriation is accomplished, as certified by the commissioner to the legislative building commission and to the state auditor, may be transferred to any other account for which such an appropriation is made to the commissioner by this or any prior act; provided that the amount so transferred to the account for any project shall not exceed ten percent of the amount otherwise appropriat-

Changes or additions indicated by underline, deletions by ~~strikeout~~.

ed for that project, and that before any such transfer is made the commissioner shall consult and obtain the recommendations of the legislative building commission, which shall be advisory only. Failure or refusal to make a recommendation promptly shall be deemed a negative recommendation.

Sec. 13. The effective date of this act is July 1, 1971.

Approved June 4, 1971.
