

Subd. 3. In determining the locally raised revenues or market value of property attributable to a successor municipality for a year prior to a change in status, such amount shall be deemed the sum of the amounts of its predecessor municipalities and towns. If any of the predecessors were divided incident to the change, then for purposes of this act its locally raised revenues shall be apportioned among its successors in proportion to the division of population between them, and the market value of property located therein shall be allocated to the successor in which the property is located.

Approved July 23, 1971.
