

to be levied and collected as a part of the tax levied by section 299.01, as amended. This section shall be effective as of January 1, 1959, and shall expire on December 31, ~~1971~~ 1973, except as to the collection of taxes theretofore levied and unpaid. The proceeds of the tax imposed by this section shall be deposited in the state treasury to the credit of the general fund.

Sec. 10. Minnesota Statutes 1969, Section 340.47, Subdivision 5, is amended to read:

Subd. 5. **SURTAX ON INTOXICATING LIQUORS.** The several rates of taxation levied by subdivision 1 on all intoxicating liquors sold in this state are increased 15 percent except on intoxicating liquors which are within the state on June 30, 1959, and which have been sold within this state by a licensed manufacturer or wholesaler to a retailer or ultimate consumer on or before June 30, 1959. The increase in the several rates of taxation levied by this subdivision on all intoxicating liquors sold in this state shall hereafter be known as the surtax on intoxicating liquors.

The surtax levied hereunder shall be reduced by a credit for any surtax previously paid pursuant to the provisions of section 340.47, subdivision 3.

Notwithstanding the provisions of subdivision 1 and section 340.60, subdivision 2, the proceeds of the surtax imposed by this subdivision shall be deposited in the state treasury to the credit of the general fund.

This subdivision expires June 30, ~~1971~~ 1973.

Approved June 11, 1971.

EXTRA SESSION
CHAPTER No. 3—H.F.No.179

[Coded in Part]

An act relating to the organization and operation of state government; appropriating money therefor and limiting the use thereof; providing for the transfer of certain moneys in the state treasury; adjusting the salaries of certain state officers and employees; authorizing land acquisition in certain cases including conservation, parks, wildlife and spawning areas, and historic sites; fixing and limiting the amount of fees to be collected in certain cases; providing penalties for misusing appropriated

Changes or additions indicated by underline, deletions by ~~strikeout~~.

funds; repealing Laws 1969, Chapter 1139, Sections 56 and 72, and Minnesota Statutes 1969, Sections 3.85; 15A.20, Subdivision 1; 84.085; and 648.39 and Laws 1969, Chapter 879, Section 4, Subdivisions 1 to 6, and Laws 1971, Chapter 946, Section 6, and Chapter 892, Section 1, Subdivision 2; and repealing Minnesota Statutes 299F.39, Subdivision 2.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. State government; organization and operation. Except as herein otherwise specifically provided, the sums hereinafter set forth in the columns designated "APPROPRIATIONS", or so much thereof as may be necessary, are hereby appropriated out of the general fund in the state treasury, or any other fund herein designated, for the purposes specified in the following sections of this act, to be available for the fiscal years indicated for each purpose. The figures "1971", "1972", and "1973", wherever used in this act, shall mean that the appropriation or appropriations listed thereunder shall be available for the year ending June 30, 1971, June 30, 1972, and June 30, 1973, respectively.

	APPROPRIATIONS		
	Available for the Year		
	Ending June 30,		
	1971	1972	1973
	\$	\$	\$
Sec. 2. THE LEGISLATURE			
Subdivision 1. For the Senate			
Salaries, supplies and expense		1,705,000	1,825,000
Subd. 2. For the House of Representatives			
Salaries, supplies and expense		1,987,500	2,988,300
The above appropriations include funds for the standing committees of the senate and house of representatives.			
The above appropriations include funds for printing and binding.			
The state senate and house of representatives may, as needed, utilize the services of the state printer.			
In the above appropriations are included amounts for legislators' per diem living expenses (as distinguished

from compensation) in the amount paid to members in the 67th session and in such additional amount as may be determined by the 68th session.			
Subd. 3. Legislative Service Commission		166,000	
Subd. 4. Legislative Advisory Committee		1,650	1,650
Subd. 5. State Claims Commission		18,000	
Subd. 6. Legislative Building Commission		80,000	
Subd. 7. Indian Affairs Commission		98,400	
This appropriation includes funds for payment of the expenses of the delegate to the Indian council meeting.			
Subd. 8. Legislative Retirement Study Commission		95,000	
Any unexpended balance remaining in the first year from subdivisions 3, 5, 6, 7 and 8, shall not cancel, but shall be available for the second year of the biennium.			
Subd. 9. Mississippi River Parkway Commission		5,000	5,000
These amounts are appropriated from the trunk highway fund.			
Subd. 10. Commission on Taxation and Production of Iron Ore and Other Minerals			
The balance remaining from the amount appropriated by Laws 1969, Section 2, Subdivision 9, shall not cancel but be available until June 30, 1973.			
Subd. 11. General Contingent		500,000	350,000
Should the appropriations for either year be insufficient, then the appropriation for the other year shall be available therefor.			
Subd. 12. Game and Fish Contingent		100,000	
This appropriation is from the game and fish fund for the purpose of

supplementing any requirements of the department of natural resources, division of game and fish, division of enforcement and field service, and division of administration for salaries, supplies, and expense.			
Subd. 13. Motor Vehicle Contingent		25,000	
This appropriation is from the highway user tax distribution fund for the purpose of supplementing any requirements of the department of public safety, motor vehicle division for salaries, supplies, and expense.			
Subd. 14. Grain Inspection Contingent		1,200,000	
Subd. 15. Criminal Justice Contingent		500,000	1,100,000
The legislature shall designate an appropriate committee to study the application of these funds and to recommend to the legislature appropriate future action.			
This appropriation includes funds to supplement the funds appropriated in section 12, subdivision 4, item c.			
This appropriation is available to provide additional matching funds for the various state agencies and local government for programs qualifying under the safe streets and omnibus crime control act of 1968.			
The above funds shall not be available until the criminal justice state plan has been reviewed by the senate committee on finance and the house committee on appropriations. At least 30 days before action by the legislative advisory committee, the commission shall submit the individual project requests to the respective committees for review.			
Subd. 16. Postage Contingent		250,000	
To be used by the commissioner of administration in supplementing the

\$	\$	\$

appropriations made for supplies and expense to the various state departments and agencies for any postage rate increases during the biennium ending June 30, 1973, where sufficient appropriations have not been made available therefor.

Of the above amount not more than \$125,000 shall be appropriated from the highway user tax distribution fund for the motor vehicle division of the department of public safety.

Subd. 17. Traffic Safety Contingent
This appropriation is from the trunk highway fund for the purpose of supplementing any requirements of the department of public safety for traffic safety programs.

150,000

Subd. 18. Aeronautics Contingent Fund

150,000

This appropriation is from the state airport account for the costs of any additional engineering and clerical personnel which may be required by substantial increases in federal construction aid funds.

The appropriations in subdivisions 11 through 18 shall be expended with the approval of the governor after consultation with the legislative advisory committee.

Subd. 19. Career Executive Contingent

75,000

This sum is appropriated to the commissioner of administration for the purpose of supplementing the various appropriation accounts for the additional costs of assigning persons to the career executive compensation schedule. The commissioner shall from time to time certify such funds as he determines are necessary to finance those adjustments that cannot be financed within the funds appropriated to the department or

Planning Management and Review Program				
Program Review and Coordination Subprogram				
	Federal Aid Review	25,000	25,000	
	State Program Review	20,500	20,500	
	Intergovernmental Planning System Coordination	25,000	25,000	
Planning and Technical Assistance Subprogram				
	Planning Information Base	15,000	15,000	
	Planning and Technical Assistance	30,000	30,000	
	Regional and Local Planning Grants	50,000	50,000	
Non-Specified Program				
		49,500	43,500	

Changes or additions indicated by underline, deletions by ~~strikeout~~.

APPROPRIATIONS
Available for the Year
Ending June 30,

1971	1972	1973
\$	\$	\$

The funds provided in this subdivision shall not be expended unless matched by federal funds.

The state planning director may transfer unexpended balances among the above programs. Such transfers shall be reported forthwith to the committee on finance of the senate and the committee on appropriations of the house of representatives.

The state auditor shall establish a single control account for the items listed in this section. The state planning agency shall maintain individual control accounts for the items listed in this section.

When instructed by the state planning agency to perform planning work, state agencies will be expected to use existing staff.

Subd. 2. Grants for Regional Development Commissions	150,000
--	---------

The sum appropriated above is to be transferred from funds on deposit in the development revolving account established by Minnesota Statutes 1969, Section 472.13.

Notwithstanding the provisions of Minnesota Statutes 462.396, the state planning officer may make available financial state assistance to regional development commissions for the fiscal years 1972 and 1973.

Subd. 3. Basin Planning	25,000
-------------------------------	--------

Approved Complement—1
Expenses for participation in basin planning by the water resources coordinating committee and the governor's representation.

Any unexpended balances remaining in subdivisions 2 and 3 the first year shall not cancel but shall be available for the second year of the biennium.

Changes or additions indicated by underline, deletions by ~~strikeout~~.

scribed by Minnesota Statutes 648.41, Subdivision 2.

Subd. 5. Minnesota Statutes Revolving

91,400

Sec. 19. DEPARTMENT OF ADMINISTRATION

Subdivision 1. Salaries

3,787,284

4,019,777

Approved Complement—372

This appropriation includes funds for two architects who will develop cost information on proposed academic buildings and utility services. The department of administration shall be solely responsible for architectural services for the state college system except for dormitory food service, student union and campus master planning.

Provided the approved complement shall be reduced by three positions as vacancies become available.

The commissioner of administration shall submit to the senate finance committee and the house appropriations committee, not later than November 1, 1972, a detailed report of each management study made, recommendations made as a result of each study and changes instituted because of each study.

Any moneys appropriated by this subdivision for the salaries of state employees whose duties it is to perform cleaning services in and for state buildings shall be used by the commissioner of administration to contract and pay for such services if he determines that the contract method is more economical than having such services performed by state employees.

The commissioner of administration shall review and analyze fees collected by state departments and agencies. The commissioner shall prepare

a report on those fees in which the cost of the collections of the fee appears excessive in relation to the amount of the fee collected. The report shall be submitted on or before November 15, 1972, to the committee on finance of the senate and the committee on appropriations of the house of representatives.

Notwithstanding any law to the contrary, the department of administration shall appraise and establish rental rates for all living accommodations provided by the state for its employees.

The commissioner of administration shall deposit in the state treasury and credit to the general fund all money collected from private tenants as rent from space in the capitol square building.

Subd. 2. Supplies and expense	105,000	1,890,830	2,056,030
---------------------------------------	---------	-----------	-----------

The above appropriation for the year 1972-73 includes a sum not to exceed \$18,000 for certain costs related to the 1973 national association for state budget officers annual meeting to be held in Minnesota, and such sum is hereby appropriated for such purpose. Notwithstanding the provisions of any other law to the contrary, this sum shall be available until expended even though obligations may be incurred after June 30, 1973. Such sum shall be allotted and encumbered prior to June 30, 1973.

The commissioner of administration may lease portions of state owned buildings in the capitol complex, the capitol square building, and at 1246 University Avenue, St. Paul, Minnesota, to state departments and agencies and charge rent therefor on the basis of space occupied, and, notwithstanding the provisions of any law to the contrary, all moneys col-

lected as rents shall be deposited in the state treasury and credited to the general fund.

Subd. 3. Printing Biennial Budget .. 25,000

Subd. 4. State Employees Insurance Benefits 28,233 29,700

Subd. 5. Minnesota state employees merit award board 43,170 54,780

The full time position may be in the classified or unclassified service.

Subd. 6. Computer Services—payroll preparation 268,320 280,800

To reimburse the division of computer services for the cost of preparing payrolls for state departments, agencies, and institutions whose salaries are provided by annual appropriations made by the legislature and who use the facilities of the division. However, in the case of payrolls which are financed in whole or in part with federal funds, that portion of the cost of payroll preparation which is chargeable to federal funds shall not be reimbursed from subdivision 6, but shall be reimbursed from such federal funds, and such amounts as are necessary are hereby appropriated from such funds for that purpose. The cost of preparing payrolls for state departments, agencies, and institutions whose salaries are provided by open, standing, continuing, or revolving appropriations or so called dedicated receipt accounts shall be reimbursed to the division of computer services from such appropriations or dedicated receipt accounts and such amounts as are necessary are hereby appropriated from such appropriations and accounts for that purpose.

Of the amounts appropriated by subdivision 6 for the year ending June 30, 1972, \$10,733 is from the game

Subd. 7. State Agency Revolving Fund.		40,000	10,000

To reimburse the state agency revolving fund for the cost of collecting employees' social security contributions and the state's matching share for reimbursement to the U. S. Secretary of the Treasury for the state departments, agencies, and institutions whose salaries are provided by annual appropriations made by the legislature. However, in the case of state departments, agencies, and institutions which are financed in whole or in part with federal funds, that portion of the cost of such collection which is chargeable to federal funds shall be reimbursed from federal funds, and such amounts as are necessary are appropriated from such funds for that purpose.

The cost of collecting employees' social security contributions and the state's matching share for reimbursement to the U. S. Secretary of the Treasury for state departments, agencies, and institutions whose salaries are provided by open, standing, continuing, or revolving appropriations or so called dedicated receipt accounts shall be reimbursed to the state agency revolving fund from such appropriations or dedicated receipt accounts, and such amounts as are necessary are appropriated from such appropriations and accounts for that purpose.

Sec. 35. DEPARTMENT OF PUBLIC SAFETY

There is appropriated to the commissioner of public safety the following amounts for the following purposes, said amounts to be under the control of and to be expended by direction of the commissioner of public safety.

Subdivision 1. Salaries	14,435,852	15,323,288
-------------------------------	------------	------------

Approved Complement—1972 = 1,417
1973 = 1,399

Of the amounts provided in this subdivision 1, \$11,149,559 for the first year and \$11,852,996 for the second year are appropriated from the trunk highway fund for traffic safety programs.

Of the amounts provided in subdivision 1, \$1,549,819 for the first year and \$1,659,177 for the second year are appropriated from the highway user tax distribution fund for administration of motor vehicle laws.

The above approved complement includes a total of 133 in the first year and 115 in the second year for the bureau of criminal apprehension and a total of 504 for all unclassified patrol officers and supervisors of the highway patrol. These respective complements shall not be exceeded during the biennium. Nothing in this provision is intended to limit the authority of the commissioner of public safety to transfer personnel, with the approval of the commissioner of administration, between the various

ing technical assistance for all practices requiring the same on any land within the respective districts. The state committee shall inform each district governing body of the foregoing provisions annually or more often as may be necessary to secure compliance therewith.			

Subd. 4. Watershed Planning Team

	40,000	40,000
--	--------	--------

The amounts appropriated shall be available for watershed protection activities of the state, and shall be used for surveys, investigations, planning (the assembling of preliminary engineering, economic, and related watershed data into a reasonable watershed plan), and advanced engineering study (the preparation of detailed designs, specifications, and engineering cost estimates of works of improvements) of watershed projects.

No moneys shall be approved for construction or installation of any works of improvement, or for soil surveys, or for any costs that local groups of people in a watershed are responsible for in any watershed project.

Funds shall be controlled by the state soil and water conservation committee; and can be used to reimburse the United States soil conservation committee and the United States soil conservation service state conservationist in Minnesota. Cooperation with the United States soil conservation service in Minnesota in employment of personnel and in determining work schedules to accelerate the study, planning, and detailed design function of watershed protection activities in Minnesota is authorized.

A report of the state participation and progress in a watershed planning team shall be filed with the governor and the legislature by January 1, 1972.

Subd. 16.

The appropriations in subdivisions 1 through 13 shall be expended in accordance with the limitations prescribed by Laws 1965, Chapter 810, Section 13, Subdivision 5, and Section 20, and Minnesota Statutes 1969, Section 86.53.

Any unexpended balance remaining in the first year from appropriations made in this section shall not cancel but shall be available for the second year of the biennium.

Except as otherwise stated in this section, the unexpended balances of moneys appropriated from the natural resources account by Laws 1965, Chapter 810, and Extra Session Laws 1967, Chapter 48, Section 48, and Chapters 879 and 1139, Section 48, Laws 1969, shall cancel into the general fund, with the exception of Chapter 1139, Section 48, Subdivision 1 which balance is hereby reappropriated.

Subd. 17.

Work programs for studies authorized under subdivisions 3, a, b, and c, subdivision 6, a (2) and (3), d, f; guidelines and individual grant applications under subdivision 7, g and h, are to be submitted to the Minnesota resources commission for review and comment.

Changes or additions indicated by underline, deletions by ~~strikeout~~.

APPROPRIATIONS
Available for the Year
Ending June 30,

	1971	1972	1973
	\$	\$	\$

Public Service	2,258.28
Taxation	5,405.96

Changes or additions indicated by underline, deletions by ~~strikeout~~.

APPROPRIATIONS

Available for the Year
Ending June 30,

1971	1972	1973
\$	\$	\$

Of the amount appropriated \$40,541.-45 shall be paid from the game and fish fund and \$724.14 shall be paid from the highway user tax distribution fund.

Sec. 51. [43.128] EMPLOYEES, SALARY INCREASES.

The salaries of all employees, except attorneys appointed by the attorney general, in the unclassified service of the state for which an appropriation is made by law, whose salary is not fixed by law, shall be adjusted to the class of persons in the classified service performing comparable work and having comparable responsibility, as determined by the director of civil service but in no event to an amount in excess of the maximum of such class.

Sec. 52. [16.245] FEES. The fees fixed for the various accounts for which appropriations are made by law, shall be neither increased nor decreased except with the approval of the commissioner of administration. All such fees shall be reviewed at least once each six months, and such adjustments shall be made to the end that the total fees received shall approximate the amount appropriated for the several funds.

Sec. 53. UNOBLIGATED BALANCES. The unobligated balance on hand as of June 30, 1971, June 30, 1972, and June 30, 1973, in the several appropriations and accounts for each of the state departments or divisions for which an appropriation is made herein out of the general fund are hereby cancelled into said general fund as of June 30, 1971, June 30, 1972, and June 30, 1973, and the unobligated balances on hand as of June 30, 1971, June 30, 1972, and June 30, 1973, appropriated out of any other funds, shall be cancelled into the fund from which they are appropriated as of June 30, 1971, June 30, 1972, and June 30, 1973. The provisions of this section shall not apply where otherwise indicated in this act or to aid, contributions, or reimbursements received from the federal government by the state; and all such federal aid, contributions, or reimbursements are hereby reappropriated for the purpose of supplementing the appropriations herein provided.

Changes or additions indicated by underline, deletions by ~~strikeout~~.

Sec. 54. [6.45] **INCOME PLACED IN GENERAL FUND.** Except as herein otherwise provided for by law, and except as provided in Minnesota Statutes, Sections 16.78 and 85.22, all income, including fees or receipts of any nature whatsoever, except all federal aid, contributions, or reimbursements received for any account of any division or department for which an appropriation is made by law, shall be deposited in and for the benefit of the general fund.

Sec. 55. **MISAPPROPRIATION OF FUNDS.** It shall be illegal for any state officer or head of any state department or any employee thereof to use moneys appropriated by this act, or fees collected, for any other purpose than the purpose for which such moneys have been appropriated and any such act by any such person shall be cause for immediate removal from the office or position he holds with the government of the state, provided, however, that funds may be transferred to the credit of the state employees retirement fund and used for the purposes thereof as provided by law.

Sec. 56. **TRANSFER OF FUNDS, STATE AUDITOR.** The state auditor is hereby authorized and directed to transfer to the general fund in the state treasury, all moneys credited to any fund established in connection with the payment of certificates of indebtedness when the purposes for which the act authorizing such certificates have been accomplished.

Subdivision 1. There is hereby transferred to the general fund the sum of \$1,168,419.50 to reimburse the general fund for the cost of collecting the tax on gasoline and gasoline substitutes and the cost of bond premiums during the 1969-71 biennium from the highway user tax distribution fund.

There is hereby transferred to the highway user tax distribution fund the sum of \$293.27 to collect an overestimate in the cost of collecting the tax on gasoline and gasoline substitutes during the 1967-69 biennium, the sum to be transferred from the general fund.

There is hereby transferred to the general fund the sum of \$36,742.43 to reimburse the general fund for functions performed by the office of the state treasurer in mailing gas tax refunds during the 1969-71 biennium from the highway user tax distribution fund.

Changes or additions indicated by underline, deletions by ~~strikeout~~.

There is hereby transferred from the general fund the sum of \$941.03 to collect an overestimate in the cost of mailing gas tax refunds during the 1967-69 biennium, the sum to be transferred to the highway user tax distribution fund.

There is hereby transferred from the general fund to the highway user tax distribution fund the sum of \$150.00 which sum was erroneously paid as a claim in accordance with the provisions of Laws 1969, Chapter 1066, Section 2, Subdivision 4.

Sec. 57. [16.173] APPROVED COMPLEMENTS. Whenever an appropriation to any state department or agency for salaries discloses an approved complement, that department or agency, *except for seasonal and part time employees*, is limited in the employment of the number of persons indicated by such approved complement. The employment of seasonal and part time employees shall be in addition to the approved complement but subject to the approval of the commissioner of administration who shall determine the need therefor.

Additional employees over the number of the approved complement may be employed on the basis of public necessity or emergency with the written approval of the governor, but the governor shall not approve such additional personnel until he has consulted with the legislative advisory committee created by Laws 1943, Chapter 594, and such committee has made its recommendation upon the matter. Such recommendation shall be advisory only. Failure or refusal of the committee to make a recommendation promptly shall be deemed a negative recommendation. The provisions hereof shall extend to any other agency to which the present authority of the legislative advisory committee may be transferred, but shall be deemed to be repealed in case such authority shall be abolished.

Sec. 58. [16.075] FURNITURE PURCHASED FROM STATE REFORMATORY. Notwithstanding any other law to the contrary, state departments may purchase furniture from the state reformatory for men.

Sec. 59. [16.247] PUBLICATIONS BY DEPARTMENT OF ADMINISTRATION. Notwithstanding the provisions of Laws 1963, Chapter 100, or any other law relating to the subject matter of this section, the department of administration

Changes or additions indicated by underline, deletions by ~~strikeout~~.

may continue to publish reports, documents, and related materials of the same manner described in its catalogs of Minnesota state publications.

Sec. 60. Any moneys made available to any state department or agency by this act of appropriation, transfer or otherwise for the payment of salaries is a source of revenue to such department or agency under the provisions of Minnesota Statutes 1969, Sections 355.50 and 352.04, Subdivision 5.

Sec. 61. Notwithstanding the provisions of any other law, state departments and agencies may, with the approval of the commissioner of administration, eliminate authorized positions and use the moneys for purchase of interdepartmental tabulating services from the department of administration, information systems division, or for the leasing or purchase of equipment if such is found to be more economical than filling of authorized positions. Such moneys are hereby authorized to be transferred to the supplies and expense account of the department. Such moneys transferred are hereby appropriated for this purpose.

The commissioner of administration, in reviewing the proposals, shall also review the documentation presented indicating the analysis of the cost benefit and reduction of personnel or other savings or benefit that will occur with the computerization or further computerization of the systems involved in the proposal. Upon implementation of the proposal, the complement shall be reduced and the indicated savings reserved and cancelled.

Sec. 62. [97.48] [Subd. 28.] Notwithstanding the provisions of any other law, any moneys appropriated to the commissioner of administration for the acquisition of wildlife land under Minnesota Statutes 1969, Sections 97.48, Subdivision 13, and 97.481, shall be expended in the same manner as similar expenditures are made by the commissioner of natural resources under such statutory provisions. In order to qualify for federal Pittman-Robertson funds, the commissioner of administration may transfer any of these moneys to the commissioner of natural resources for expenditure for wildlife land acquisition, and any such transfers are hereby reappropriated for such purpose.

Changes or additions indicated by underline, deletions by ~~strikeout~~.

Sec. 63. [15.063] BIENNIAL REPORTS; SUBMISSION. Notwithstanding any law to the contrary, the biennial reports required to be submitted to the legislature by various departments and agencies shall be submitted by November 15 of each even numbered year.

Sec. 64. COMPULSORY RETIREMENT EXCLUSION. Notwithstanding any provision of laws to the contrary, a physician in the classified or unclassified state service may during this biennium, upon reaching the age of 70 years continue to be employed in the department of health subject to annual certification by the state board of health.

Sec. 65. [16.155] BUDGET ESTIMATES SUBMITTED TO LEGISLATIVE COMMITTEES. Subdivision 1. The commissioner of administration shall transmit a copy of the budget estimates and accompanying information for the biennial budget as submitted by each department or agency to the commissioner in accordance with Minnesota Statutes 1969, Section 16.14, to the committee on finance of the senate and to the committee on appropriations of the house of representatives on or before the 15th day of November preceding the convening of a regular session of the legislature.

Subd. 2. The budget to the legislature submitted by the governor in accordance with Minnesota Statutes 1969, Section 16.15, shall include the budget request of each department or agency arranged in tabular form so it may readily be compared with the governor's budget for each department or agency.

Sec. 66. [16.138] CERTAIN REIMBURSEMENTS DEPOSITED IN GENERAL FUND. Notwithstanding any other law to the contrary, reimbursements received by departments or agencies for services performed by other state agencies for which they are not billed shall be transferred for deposit into the general fund. Departments or agencies shall report such reimbursements to the commissioner of administration when the reimbursement is received. The commissioner after review shall certify the amount of each reimbursement to the state auditor and shall report such reimbursements to the committee on finance of the senate and the committee on appropriations of the house of representatives. Upon certification the state auditor

Changes or additions indicated by underline, deletions by ~~strikeout~~.

shall transfer to the general fund such amounts from such accounts as the commissioner may designate.

Sec. 67. [648.39] **MINNESOTA STATUTES AND SESSION LAWS; SALE AND DISTRIBUTION.** Subdivision 1. To the extent that appropriations are available therefor, the revisor of statutes shall distribute each edition of Minnesota Statutes and each edition of the session laws as follows:

30 copies to the supreme court;

1 copy to each judge of a district court;

1 copy to the clerk of each district court for use in each courtroom of the district court of his county;

100 copies to the state law library;

100 copies to the law school of the university of Minnesota;

35 copies to the office of the attorney general;

Such copies as may be necessary but not exceeding ten to the departments of administration, agriculture, commerce, corrections, education, health, highways, labor and industry, manpower services, natural resources, public safety, public service, public welfare, and taxation, and ten copies also to the governor's office;

1 copy each to the state departments, agencies, boards, and commissions that may request a copy;

1 copy to each member of the legislature;

The necessary number of copies required for the use of the senate and the house of representatives;

4 copies to the secretary of the senate;

4 copies to the chief clerk of the house of representatives;

1 copy to each judge, district attorney, clerk of court of the United States and the deputy clerk of each division of the United States district court in this state, the secretary of state of the United States, the library of congress, and the Minnesota historical society.

Subd. 2. Each county shall purchase from the revisor of statutes one copy each for the use of the judge of probate, county attorney, sheriff, auditor, treasurer, register of deeds, and superintendent of schools.

Changes or additions indicated by underline, deletions by ~~strikeout~~.

Subd. 3. Each city, village, borough, and town shall purchase from the revisor of statutes, for the use of each justice of the peace, judge of the municipal court, clerk of the municipal court, and clerk of the city, village, borough, or town, as the case may be, such number of copies as the city, village, borough, or town shall determine is needed.

Subd. 4. A department, agency, board, commission, or other instrumentality of the state listed in this section may purchase from the revisor of statutes any additional copies which may be required.

Subd. 5. The sale price for each edition of Minnesota Statutes is not less than the actual cost thereof but in no event less than \$100. The sale price of each edition of Minnesota session laws is not less than the actual cost thereof but in no event less than \$35. Nothing in this subdivision shall be construed to fix the sale prices of paper back editions of each of the publications should the revisor of statutes deem it desirable to publish paper back copies.

Subd. 6. Minnesota Statutes 1969, Section 648.39, is repealed.

Sec. 68. Notwithstanding the provisions of any other law to the contrary, any state department or agency having less than five employees is authorized to grant not more than one achievement award in the amount of one salary's step in each year of the biennium. The employee receiving the achievement award shall have demonstrated outstanding performance. The appointing authorities shall supply the justification as otherwise provided by law.

Sec. 69. Laws 1969, Chapter 1139, Sections 56 and 72 and Chapter 879, Section 4, Subdivisions 1 through 6 are hereby repealed.

Sec. 70. [3.103] **SPECIAL SESSION LIVING EXPENSES.** Each member of the legislature, during a special session thereof, shall be reimbursed for expenses incurred in the performance of his duties in the same amounts, for the same purposes, and in the same manner as were authorized for the members of the senate and the members of the house of representatives at the last regular session occurring immediately prior to

Changes or additions indicated by underline, deletions by ~~strikeout~~.

such special session. Reimbursement for travel, however, shall not exceed more than one round trip per member per each seven calendar days in which the legislature meets in such special session. This section applies to each special session of the legislature commencing after May 24, 1971.

Sec. 71. Money heretofore appropriated for Educational Program Planning shall not cancel on June 30, 1972, and is available for the second year of the biennium.

Sec. 72. The state auditor is directed to transfer the balance remaining in the revolving fund for manufacturing license plates established by Laws 1957, Chapter 412. He shall return to the trunk highway fund the \$90,000 that was transferred under Laws 1947, Chapter 582, and the balance shall be transferred to the general fund.

Sec. 73. Notwithstanding any other law to the contrary, the officers and supervisors of the highway patrol shall receive only those percentage increases in salaries granted to other state employees. The salary increases directed by this section are in lieu of any provision of law now existing relating to longevity pay or any other basis of salary increases.

In the event that a salary bill for the unclassified members of the highway patrol is enacted by the 1971 regular or special legislative session, this section shall not apply.

Sec. 74. In the event separate legislation enacted at the 1971 regular or special legislative session would provide salary increases to the unclassified personnel of the highway patrol in excess of the increases in this act, such increases shall be placed into effect in accordance with the provisions of that legislation. The commissioner of administration shall certify to the state auditor the additional amount required to implement the salary increases. The workpapers of the committee on finance of the senate and the committee on appropriations of the house of representatives shall be used as a guide as to the additional amount required. The state auditor is directed to transfer from the trunk highway fund to the department of public safety salaries account the amount certified. The amounts transferred are appropriated for the purposes of implementing the salary increases of the unclassified personnel of the highway patrol.

Changes or additions indicated by underline, deletions by ~~strikeout~~.

Sec. 75. [161.231] **APPROPRIATION; PROCEEDS FROM LEASED PROPERTY.** There is appropriated annually from the fund or account in the state treasury to which the rental money from state leased property is credited a sufficient amount of money to carry out the state's obligations under the provisions of Minnesota Statutes, Sections 161.23, Subdivision 3, and 272.68, Subdivision 3.

Sec. 76. [15A.20] **MILEAGE ALLOWANCES.** Subdivision 1. Except as provided in subdivision 3, the maximum amount which shall be paid by the state, any department or bureau thereof, or any county, city, village, town, or school district, to any officer or employee, except sheriffs or deputy sheriffs, as compensation or reimbursement for the use by such officer of his own automobile in the performance of his duties shall not exceed ten cents a mile.

Subd. 2. Subdivision 1 takes the place of Minnesota Statutes 1969, Section 15A.20, Subdivision 1.

Subd. 3. Minnesota Statutes 1969, Section 15A.20, Subdivision 1 is repealed.

Subd. 4. Notwithstanding the provisions of any other law, a state officer or employee when traveling intrastate on official business who drives his personal car when a motor pool vehicle is available shall be reimbursed at the motor pool mileage rate for a comparable vehicle. Provided, however, that if use of a motor pool vehicle would have resulted in a greater cost to the state than the reimbursement at the personal car rate, the employee shall be reimbursed at the personal car rate as set forth in Minnesota Statutes 15A.20, Subdivision 1. The commissioner of administration may promulgate such rules, regulations, and directives as necessary to carry out the provisions of this section.

Sec. 77. [84.085] **ACCEPTANCE OF GIFTS.** Subdivision 1. The commissioner of natural resources may accept for and on behalf of the state any gift, bequest, devise, or grants of lands or interest in lands or personal property of any kind or of money tendered to the state for any purpose pertaining to the activities of the department or any of its divisions. Any money so received is hereby appropriated and dedicated for the purpose for which it is granted.

Changes or additions indicated by underline, deletions by ~~strikeout~~.

Subd. 2. Subdivision 1 takes the place of Minnesota Statutes 1969, Section 84.085.

Subd. 3. Minnesota Statutes 1969, Section 84.085 is repealed.

Sec. 78. [299F.39] [subd. 2.] **REQUIREMENTS OF CODE.** The code shall specify reasonable minimum requirements for fire safety in new and existing buildings and facilities. Regulations may be in accordance with the size, type of construction and nature of use or occupancy of such buildings or facilities. No regulation made in accordance with subdivisions 1, 2, and 3, shall be inconsistent with the provisions of the statutes nor impair the rights of municipalities to enact ordinances and make orders with respect to buildings as provided by law, so far as such ordinances or orders specify requirements equal to, additional to or more stringent than the regulations issued under authority of subdivisions 1, 2, and 3. Upon application, the state fire marshal may, in his discretion, grant variances from the minimum requirements specified in the code if (a) there is substantial compliance with the provisions of the code and (b) the safety of the public and occupants of such building will not be jeopardized, and (c) substantial damage will result to the applicant unless such variance is granted.

Subd. 2. Subdivision 1 takes the place of Minnesota Statutes 1969, Section 299F.39, Subdivision 2, which subdivision is hereby repealed.

Sec. 79. The commissioner of administration shall not permit the allotment and encumbrance of the amounts indicated as excess appropriation on the work papers of the committee on finance of the senate and the committee on appropriations of the house of representatives. Such amounts shall be held as surplus and shall cancel. Provided however, if the amount of excess appropriation is appropriated from a dedicated fund he shall certify this amount to the state auditor. Upon receipt of the certification, the state auditor is directed to transfer the amount so certified back to the dedicated fund. This provision applies only to the biennium beginning July 1, 1971.

Changes or additions indicated by underline, deletions by ~~strikeout~~.

Sec. 80. Notwithstanding any law to the contrary, the Hastings state hospital may accommodate the number of patients on the upper campus that can be safely and adequately cared for as determined by the commissioner of public welfare.

As soon as feasible, the commissioner of public welfare and the commissioner of public safety shall enter into a written agreement as to the occupancy of the necessary buildings by the department of public safety for a Police Training School. Any costs for remodeling buildings shall be borne by the department of public safety.

Sec. 81. The appropriations made in section 24 of this act shall be transferred to the commissioner of administration and the Minnesota historical society in accordance with the provisions of separate legislation enacted by the 1971 legislature. The commissioner of administration shall certify to the state auditor the amounts to be transferred to each agency. Upon receipt of the certification, the state auditor shall transfer such amounts to each agency. The amounts so transferred are hereby appropriated to each agency.

Sec. 82. There is hereby appropriated \$7,500 to be added to the appropriation of the house of representatives and \$7,500 to be added to the appropriation to the senate from the general fund for the biennium ending June 30, 1973, for an interim study by appropriate standing committees of the senate and the house of representatives, subject to the approval of the committee on committees of the senate and the committee on rules of the house, into the need for legislation and regulation of all-terrain vehicles and revisions to snowmobile laws and regulations.

Sec. 83. [3.102] **INTERIM LIVING EXPENSES.** Each member of the legislature shall be reimbursed for his expenses when he is required to attend meetings of standing committees, commissions, or is engaged in other legislative activity when the legislature is not in session. The amount of such reimbursement is \$25 per day as a per diem expense allowance for all expenses incurred except travel. He shall also be reimbursed for his travel expenses in the same amount as state employees are reimbursed for such travel.

Changes or additions indicated by underline, deletions by ~~strikeout~~.

Reimbursements to members of the legislature for out-of-state meetings or other legislative activity shall be in the same amounts as state employees are reimbursed for such out-of-state expenses.

Expenses for members of the legislature are payable in the manner designated by the senate committee on rules and administration as to members of the senate and by the committee on rules and legislative administration as to members of the house of representatives.

The expense allowances provided for herein to the persons designated are in lieu of any other expenses authorized by law or resolution for the same purposes.

Sec. 84. [170.231] ABSTRACT FEE. Notwithstanding the provisions of any other law to the contrary the fee for a certified abstract of operating record as described in Minnesota Statutes 1969, Section 170.23 is \$2.50.

Sec. 85. Student workers and service workers appointed on an unlimited basis may be employed by the commissioner of public welfare but shall be included in the approved complement. When appointed on a limited basis, they may be in addition to the approved complement. Both types of appointments shall be subject to the approval of the commissioner of administration.

Sec. 86. The appropriation made in Laws 1971, Chapter 702, Section 25, is to be made from the general fund.

Sec. 87. [16.139] REIMBURSEMENT FOR LOSS OR DAMAGE TO STATE PROPERTY, USE OF PROCEEDS. Notwithstanding the provision of any other law, any state department or agency that receives a reimbursement for the loss or damage to state property may deposit the reimbursement in the current year's account. Such reimbursement is hereby reappropriated for the purpose of replacing or repairing the state property.

Sec. 88. [87.025] WHEN LANDOWNER'S LIABILITY NOT LIMITED. Subdivision 1. Nothing in Minnesota Statutes 1969, Chapter 87, as amended, limits in any way any liability which otherwise exists:

Changes or additions indicated by underline, deletions by ~~strikeout~~.

(a) For conduct which, at law, entitles a trespasser to maintain an action and obtain relief for the conduct complained of;

(b) For injury suffered in any case where the owner of land charges the person or persons who enter or go on the land for the recreational use thereof, except that in the case of land leased to the state or a subdivision thereof, any consideration received from the state or subdivision thereof by the owner for such lease shall not be deemed a charge within the meaning of this section.

Subd. 2. Laws 1971, Chapter 946, Section 6, is repealed.

Sec. 89. There is appropriated to the commissioner of administration from the appropriate funds in the state treasury such sums as may be necessary to pay increases in compensation of officers, department heads, and other individuals in the judicial, executive, and legislative branches of the state government, all in the unclassified service, if such salary increases are otherwise authorized by law during the 1971 special session of the legislature. The commissioner shall certify the necessary amounts to the state auditor, who shall transfer such amounts to the appropriate accounts. Sums so certified and transferred are hereby reappropriated. The appropriation made by this section is for the biennium beginning July 1, 1971.

Sec. 90. The appropriation contained in Laws 1971, Chapter 848, Section 6, are the only state funds to be expended for the purposes of that act and shall be used only for the purpose of making grants.

Sec. 91. The appropriation contained in Laws 1971, Chapter 634, is for the biennium beginning July 1, 1971.

Sec. 92. Provided that the expenditure of funds appropriated by Laws 1971, Chapter 961, Section 2, Subdivision 15, shall be disbursed by making an initial payment on or before October 1, 1971, for fiscal year 1972 and on or before October 1, 1972, for fiscal year 1973. Final payments shall be made before October 1 of the following fiscal year.

Sec. 93. There is hereby appropriated \$175,000 for the biennium beginning July 1, 1971, to the commissioner of corrections for the purposes of Laws 1971, Chapter 782:

Changes or additions indicated by underline, deletions by ~~strikeout~~.

Sec. 94. [245.692] [subd. 2.] **DEFINITION.** Subdivision 1. For the purposes of Laws 1971, Chapter 892, Section 1, a detoxification center is defined as a social rehabilitation facility established for the purpose of facilitating access into care and rehabilitation by detoxifying and evaluating the person and providing entrance into the continuum of care. Such facility shall be under medical supervision and shall have available the services of a licensed physician for medical emergencies.

Subd. 2. Laws 1971, Chapter 892, Section 1, Subdivision 2, is repealed.

Sec. 95. [171.071] **IDENTIFICATION IN LIEU OF PHOTOGRAPHS.** Notwithstanding the provisions of Minnesota Statutes, Section 171.07, the commissioner of public safety may adopt regulations to permit identification on a driver's license in lieu of a photograph where the commissioner finds that the licensee has religious objections to the use of a photograph.

Sec. 96. [85.015] [subd. 9.] Notwithstanding the provisions of Laws 1971, Chapter 859, Section 6, Subdivision 1, authorizing the commissioner of natural resources to acquire lands by gift or purchase for trails and facilities relating to trails, nonetheless, all such lands acquired shall be acquired by the commissioner of administration for the commissioner of natural resources.

Sec. 97. [3.25] **APPROPRIATIONS NOT DISCLOSING SOURCE.** Whenever moneys are appropriated from the state treasury and the appropriation does not disclose the source thereof, the appropriation is from the general fund.

Sec. 98. [16.07] [subd. 14.] **REJECTION OF BIDS.** The commissioner of administration may reject all bids for electronic data processing equipment, related equipment and software and may negotiate a contract for said equipment if he finds such bids to be unsatisfactory, providing that such negotiated price shall not be more than the lowest responsible bid.

Changes or additions indicated by underline, deletions by ~~strikeout~~.

Sec. 99. If the monies in the wildlife acquisition account are insufficient to meet option expiration dates, additional funds as needed may be temporarily transferred by order of the commissioner of administration from any available monies in the game and fish fund. The state auditor shall transfer upon receipt of the commissioner's certification the amount so certified. The sums transferred are hereby appropriated for the purposes certified. Any funds transferred shall be returned to the game and fish fund prior to January 1, 1972.

Sec. 100. Subdivision 1. The governor's office for a Minnesota landmark under Laws 1971, Chapter 605, shall report its transactions and affairs to the committee on finance of the senate and the committee on appropriations of the house of representatives on December 31, 1972, and shall file a similar report with the state auditor on January 31, 1973.

Subd. 2. [4.077] [subd. 2(4)] "Appropriate use" as a purpose of the corporation created by Laws 1971, Chapter 605, means that the corporation will own, control, manage, and use the courts building if the courts building is transferred to it—

(a) to provide space therein by lease or other arrangement to tax supported and other non-profit educational institutions for school, classroom, or other educational use, or use in protection of public health; or

(b) as an historic monument; and

(c) whether or not used as in (a) or (b), for such other use, private and public, as may be compatible with the conditions and restrictions of the grant, permissible under controlling law and regulation governing the use under the grant, and in accord with the purpose of the corporation.

Subd. 3. Subdivision 2 takes the place of Laws 1971, Chapter 605, Section 3, Subdivision 4, which subdivision is hereby repealed.

Subd. 4. [4.077] [subd. 5] to operate and maintain and furnish, restore, and as needed or suitable from time to time, renovate and remodel the courts building; and to accomplish its purpose and in execution of its powers, to borrow money and is

sue its debentures payable from income either unsecured or secured by pledge of revenues to be derived from the operation of its property or from other sources, or both, and to agree, if in consonance with national policy, that income derived from property conveyed to it by federal authority in excess of costs of repair, rehabilitation, restoration, and maintenance will be used by it only for park or recreational purposes, and to fulfill such agreement; and in its corporate discretion to use any such excess income which has not been so committed for park or recreation purposes, or for educational purposes by supporting educational institutions or activity, or for both of such purposes, and generally to do any and all lawful acts necessary or appropriate to carry out the purposes for which it is created.

Subd. 5. Subdivision 4 takes the place of Laws 1971, Chapter 605, Section 6, Clause (l), which clause is hereby repealed.

Approved June 30, 1971.

**EXTRA SESSION
CHAPTER 4—S.F.No. 12**

An act relating to salaries of judges in certain municipal courts and the effective date of county court reorganization; amending Minnesota Statutes 1969, Section 488.21, Subdivision 2; Section 488A.19, Subdivision 10; and Section 488A.66, Subdivision 1; amending Extra Session Laws 1967, Chapter 29, Section 2, Subdivision 7 as amended by Laws 1969, Chapter 814, Section 1; Laws 1967, Chapter 792, Section 2, Subdivision 8, as amended by Laws 1969, Chapter 1008, Section 2; and Laws 1969, Chapter 748, Section 2, Subdivision 7 and Laws 1971, Chapter 951, Section 45.

Be it enacted by the Legislature of the State of Minnesota:

Section 1. **MUNICIPAL COURTS; SALARIES OF JUDGES.** Minnesota Statutes 1969, Section 488.21, Subdivision 2, is amended to read:

Subd. 2.			
Ada		\$ 2,400
