firemen's relief association guidelines act of 1971, the association shall determine and the city of Anoka shall provide for the financial requirements of the special fund in the manner prescribed by Minnesota Statutes, Section 69.773, except that the first actuarial survey determined in accordance with the benefits prescribed by this act shall be procured prior to January next following the effective date of this act. All other provisions of section 69.773 shall govern the association and the city of Anoka in determining and providing for the financial requirements of this special fund.

Sec. 8. Laws 1971, Chapter 184, Section 5, is amended to read:

Sec. 5. **GUIDELINES ACT APPLICABLE.** ~~Prior to January next following the effective date of this act, the fire department relief association shall procure an actuarial survey and report prepared by an approved actuary meeting the requirements of Minnesota Statutes, Sections 69.71 to 69.76. Such survey shall comply with the provisions and requirements of said sections 69.71 to 69.76 except that normal level cost shall be expressed as a total amount and a per member amount, and the finding as to amortization of unfunded liability shall conform with this act. A similar actuarial survey shall be procured at least every four years thereafter.~~

~~Copies of each actuarial survey and report shall be filed with the governing body of the city of Anoka and with any commission of the legislature as may be assigned the study of pension funds. No provisions of Laws 1971, Chapter 184, as amended, shall be construed as exempting, abridging, repealing or amending the compliance with the provisions of the volunteer firemen's relief association guidelines act of 1971, as amended, unless such exemption is specifically referred to therein.~~

Sec. 9. This act is effective upon approval by the governing body of the city of Anoka, and upon compliance with Minnesota Statutes, Section 645.021.

Approved May 16, 1973.
