

~~(1) The number of the votes cast at the last general election for the office for which the petitioner is a candidate.~~

~~(2) The number of times when the petitioner will be first on the ballot according to the method set forth in section 203.35, subdivision 5.~~

~~(3) The number of times the opposing candidate or candidates will be first on the ballot according to the method set forth in section 203.35, subdivision 5.~~

~~(4) That the number of the petitioner's first positions on the ballot differs from another candidate's first positions on the ballot, as measured by the number of voters at the last general election, by more than five percent.~~

~~(5) A specific proposal to remedy the inequity that does not disturb the rotation in accordance with section 203.35, subdivision 5, except in one precinct or comparable subdivision.~~

~~If the petition complies with this subdivision and the proposal in the petition does not give the petitioner the first position on the ballot any more times than any other candidate and after notice to the other candidates for the same office, the responsible public official shall execute the proposal contained in the petition. The responsible public official shall not allow any amended petitions. Where more than one petition is received within the five days following the primary election, the responsible official shall accept the one which produces the most nearly equal distribution among the candidates.~~

Sec. 10. The sum of \$75,000 is appropriated from the general fund to the secretary of state for his administrative duties relating to the preparation of the state white ballot and reimbursement of the counties for their costs of preparation of the state white ballot. This appropriation shall not lapse until July 1, 1975, notwithstanding Minnesota Statutes, Section 16.17 or other law.

Sec. 11. This act takes effect on April 19, 1973.

Approved February 20, 1973.
