Subd. 2. No person required by this chapter to be licensed shall bring or maintain any action in the courts for any commission, fee or other compensation with respect to the sale, lease or other disposition or conveyance of real property, or with respect to the negotiation or attempt to negotiate any sale, lease or other disposition or conveyance of real property unless such property was first listed in writing for sale, lease or other disposition with the person bringing or maintaining the action.

Sec. 18. Minnesota Statutes 1971, Chapter 82, is amended by adding a section to read:

[82.34] REAL ESTATE EDUCATION, RESEARCH AND RECOVERY FUND. Subdivision 1. There is established a "real estate education, research and recovery fund" to be administered by the commissioner of securities. The state treasurer shall be the custodian of the fund and shall operate under the direction of the commissioner.

Subd. 2. There is hereby created in the state treasury a real estate education, research and recovery fund which shall be administered by the commissioner in the manner and for the purposes prescribed in this section.

Subd. 3. Each real estate broker and real estate salesperson entitled under this chapter to renew his license, when renewing for the first time after the effective date of this act, shall pay in addition to the appropriate renewal fee a further fee of \$20 which shall be credited to the real estate education, research and recovery fund. Any person who receives a new real estate broker's or real estate salesperson's license after the effective date of this act shall pay said fee of \$20 in addition to all other fees payable, provided that in no case shall any real estate broker or real estate salesperson be required under this subdivision to pay said fee of \$20 more than once.

Subd. 4. If at the end of any fiscal year following the establishment of the real estate education, research and recovery fund, the amount remaining in the fund is less than \$200,000, every licensed real estate broker and real estate salesperson, when renewing his license, shall pay in addition to the annual renewal fee, a sum not to exceed \$20 said sum having been determined by the commissioner to be sufficient to restore the balance in the fund to at least \$200,000.

Subd. 5. Any funds in excess of \$200,000 shall, upon request of the commissioner, be invested by the state board of investment in the class of securities specified in section 11.16 and acts amendatory thereto. All interest and profits from such investments shall be credited to the real estate education, research and recovery

fund. The state treasurer shall be the custodian of securities purchased under the provisions of this section.

Subd. 6. The commissioner, in his discretion may use any funds in excess of \$200,000 for the following purposes:

(a) To promote the advancement of education and research in the field of real estate for the benefit of those licensed under this chapter;

(b) To underwrite educational seminars and other forms of educational projects for the benefit of real estate licensees;

(c) To establish a real estate chair or courses at Minnesota state institutions of higher learning for the purpose of making such courses available to licensees and the general public;

(d) To contract for a particular educational or research project in the field of real estate to further the purposes of this chapter.

Subd. 7. When any aggrieved person obtains a final judgment in any court of competent jurisdiction against any person licensed under this chapter, on grounds of fraudulent, deceptive or dishonest practices, or conversion of trust funds arising directly out of any transaction when the judgment debtor was licensed and performed acts for which a license is required under this chapter, and which cause of action occurred on or after the effective date of this act, the aggrieved person may, upon the judgment becoming final, and upon termination of all proceedings, including reviews and appeals, file a verified application in the court in which the judgment was entered for an order directing payment out of the real estate education, research and recovery fund of the amount of actual and direct loss in such transaction up to the sum of \$20,000 of the amount unpaid upon the judgment, provided that nothing in this chapter shall be construed to obligate the fund for more than \$20,000 per transaction regardless of the number of persons aggrieved or parcels of real estate involved in such transaction. A copy of the verified application shall be served upon the commissioner and upon the judgment debtor, and a certificate or affidavit of such service filed with the court.

Subd. 8. The court shall conduct a hearing upon such application 30 days after service of the application upon the commissioner. Upon petition of the commissioner, the court shall continue the hearing up to 60 days further; and upon a showing of good cause may continue the hearing for such further period as the court deems appropriate. At the hearing the aggrieved person shall be required to show that:

(a) He is not a spouse of debtor, or the personal representative of such spouse;

**Changes or additions indicated by underline, deletions by strikeout.**

(b) He has complied with all the requirements of this section;

(c) He has obtained a judgment as set out in subdivision 7, stating the amount thereof and the amount owing thereon at the date of the application;

(d) He has made all reasonable searches and inquiries to ascertain whether the judgment debtor is possessed of real or personal property or other assets, liable to be sold or applied in satisfaction of the judgment;

(e) By such search he has discovered no personal or real property or other assets liable to be sold or applied, or that he has discovered certain of them, describing them, owned by the judgment debtor and liable to be so applied, and that he has taken all necessary action and proceedings for the realization thereof, and that the amount thereby realized was insufficient to satisfy the judgment, stating the amount so realized and the balance remaining due on the judgment after application of the amount realized;

(f) He has diligently pursued his remedies against all the judgment debtors and all other persons liable to him in the transaction for which he seeks recovery from the real estate education, research and recovery fund;

(g) He is making said application no more than one year after the judgment becomes final, or no more than one year after the termination of any review or appeal of the judgment.

Subd. 9. Whenever the court proceeds upon an application as set forth in subdivision 7, it shall order payment out of the real estate education, research and recovery fund only upon a determination that the aggrieved party has a valid cause of action within the purview of subdivision 7 and has complied with the provisions of subdivision 8. The judgment shall be only prima facie evidence of such cause of action and for the purposes of this section shall not be conclusive. The commissioner may defend any such action on behalf of the fund and shall have recourse to all appropriate means of defense and review including examination of witnesses. The commissioner may move the court at any time to dismiss the application when it appears there are no triable issues and the petition is without merit. The motion may be supported by affidavit of any person or persons having knowledge of the facts, and may be made on the basis that the petition, and the judgment referred to therein, does not form the basis for a meritorious recovery claim within the purview of subdivision 7; provided, however, the commissioner shall give written notice at least ten days before such motion. The commissioner may, subject to court approval, compromise a claim based upon the application of an aggrieved party. He shall not be bound by any prior compromise or stipulation of the judgment debtor.

Subd. 10. The commissioner may defend any such action on behalf of the fund and shall have recourse to all appropriate means of defense and review, including examination of witnesses. The judgment debtor may defend any such action on his own behalf and shall have recourse to all appropriate means of defense and review, including examination of witnesses. Whenever an applicant's judgment is by default, stipulation, or consent, or whenever the action against the licensee was defended by a trustee in bankruptcy, the applicant shall have the burden of proving his cause of action for fraudulent, deceptive or dishonest practices, or conversion of trust funds. Otherwise, the judgment shall create a rebuttable presumption of the fraudulent, deceptive or dishonest practices, or conversion of trust funds. This presumption is a presumption affecting the burden of producing evidence.

Subd. 11. If the court finds after the hearing that said claim should be levied against the portion of the fund allocated for the purpose of carrying out the provisions of this section, the court shall enter an order directed to the commissioner requiring payment from the real estate education, research and recovery fund of whatever sum it shall find to be payable upon the claim pursuant to the provisions of and in accordance with the limitations contained in this section.

Subd. 12. (a) Notwithstanding any other provision of this section, the liability of that portion of the real estate education, research and recovery fund allocated for the purposes of this section shall not exceed \$20,000 for any one licensee;

(b) If the \$20,000 liability of the real estate education, research and recovery fund is insufficient to pay in full the valid claims of all aggrieved persons by whom claims have been filed against any one licensee, such \$20,000 shall be distributed among them in the ratio that their respective claims bear to the aggregate of such valid claims or in such other manner as the court deems equitable. Distribution of such moneys shall be among the persons entitled to share therein, without regard to the order of priority in which their respective judgments may have been obtained or their claims have been filed. Upon petition of the commissioner, the court may require all claimants and prospective claimants against one licensee to be joined in one action, to the end that the respective rights of all such claimants to the real estate education, research and recovery fund may be equitably adjudicated and settled.

Subd. 13. Should the commissioner pay from the real estate education, research and recovery fund any amount in settlement of a claim or toward satisfaction of a judgment against a licensed broker or salesperson, the license of the broker or salesperson shall be automatically suspended upon the effective date of an order by the court as set forth herein authorizing payment from the real

estate education, research and recovery fund. No such broker or salesperson shall be granted reinstatement until he has repaid in full, plus interest at the rate of four percent a year, the amount paid from the real estate education, research and recovery fund on his account. A discharge in bankruptcy shall not relieve a person from the penalties and disabilities provided in this section.

Subd. 14. If, at any time, the money deposited in the real estate education, research and recovery fund and allocated for purposes other than real estate education and research is insufficient to satisfy any duly authorized claim or portion thereof, the commissioner shall, when sufficient money has been deposited in the real estate education, research and recovery fund, satisfy such unpaid claims or portions thereof, in the order that such claims or portions thereof were originally filed, plus accumulated interest at the rate of four percent a year.

Subd. 15. Any sums received by the commissioner pursuant to any provisions of this section shall be deposited in the state treasury, and credited to the real estate education, research and recovery fund, and said sums shall be allocated exclusively for the purposes provided in this section.

Subd. 16. It shall be unlawful for any person or the agent of any person to knowingly file with the commissioner any notice, statement, or other document required under the provisions of this section which is false or untrue or contains any material misstatement of fact. Such conduct shall constitute a gross misdemeanor.

Subd. 17. When, upon the order of the court, the commissioner has paid from the real estate education, research and recovery fund any sum to the judgment creditor, the commissioner shall be subrogated to all of the rights of the judgment creditor to the extent of the amount so paid and the judgment creditor shall assign all his right, title and interest in the judgment to the extent of the amount so paid to the commissioner and any amount and interest so recovered by the commissioner on the judgment shall be deposited to the fund.

Subd. 18. Nothing contained in this section shall limit the authority of the commissioner to take disciplinary action against any licensee under other provisions of this chapter; nor shall the repayment in full of all obligations to the real estate education, research and recovery fund by any licensee nullify or modify the effect of any other disciplinary proceeding brought pursuant to the provisions of this chapter.

Sec. 19. Minnesota Statutes 1971, Sections 82.01, 82.02, 82.03, 82.035, 82.04, 82.05, 82.06, 82.07, 82.08, 82.09, 82.10, 82.11, 82.12, 82.125, 82.13, 82.14, 82.15, and 82.16 are repealed.
