30 guests at one time, or such greater number as the municipality may determine; and in cities of the fourth class and villages of 10,000 population or less, in such manner as the municipality shall determine; and in an unincorporated or unorganized area of a county such establishment shall have facilities for seating not less than 100 guests at one time or such greater number as the county board may determine.

Approved March 21, 1974.

CHAPTER 197—H.F.No.3142

[Not Coded]

An act relating to the city of Eden Prairie; authorizing the planning, construction and financing of a major center area ring road project.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. **EDEN PRAIRIE, CITY OF; RING ROAD PROJECT.** The city of Eden Prairie may plan and construct a major center area ring road (project STR 72-9-26). For purposes of planning and construction the city may expend any local, county, state, federal or private funds available therefor.

Sec. 2. Any part of the cost of the project authorized by section 1 may be financed by the levy of special assessments against property within the city benefited by the project in the manner prescribed by law. In the assessment of benefits city authorities may utilize a combination of assessment methods based upon the area of tracts benefited, the front footage of tracts benefited, and the land use of the tracts benefited in accordance with such categories as may be determined by the city.

Sec. 3. Construction of the project and assessment of benefits may be undertaken in phases consistent with growth and development of the benefitted area, and the benefits derived from the project may be redetermined and the value of the benefits assessed against the benefitted property as the phases are completed.

Sec. 4. This act is effective upon approval by the city council of the city of Eden Prairie and upon compliance with Minnesota Statutes, Section 645.021.

Approved March 21, 1974.
