

public for a period of twenty years after the date that the state funds are received by the municipality. The agreement may contain such other conditions as the commissioner deems reasonable.

(6) The commissioner shall establish a hangar construction revolving account which shall be used for the purpose of financing the construction of hangar buildings to be constructed by municipalities owning airports. All municipalities owning airports are authorized to enter into contracts for the construction of hangars, and contracts with the commissioner for the financing of such hangar construction for such amount and period of time as may be determined by the commissioner and municipality. All receipts from the financing contracts shall be deposited in the hangar construction revolving account and are hereby reappropriated for the purpose of financing construction of hangar buildings. The commissioner may pay from the hangar construction revolving account 80 percent of the cost of financing construction of hangar buildings. For purposes of this clause, the "construction" of hangars shall include their design.

(7) The commissioner may pay a portion of the purchase price of any airport maintenance and safety equipment and of the actual airport snow removal costs incurred by any municipality. The portion to be paid by the state shall not exceed two-thirds of the cost of such purchase price or snow removal. To receive such aid such municipality must enter into an agreement of the type referred to in clause (5) above.

(8) This subdivision shall apply only to project costs or acquisition costs of municipally owned airports which are incurred after June 1, 1971.

Approved April 9, 1974.
