16.911 INTERGOVERNMENTAL INFORMATION SERVICES ADVISORY COUNCIL. Subdivision 1. The governor shall appoint an intergovernmental information services advisory council, to serve at his pleasure, consisting of 25 members who shall serve without compensation but shall be reimbursed for their travel expenses as provided for state employees. Such council shall be composed of two members from each of the following groups: Counties outside of the seven county metropolitan area, counties within the metropolitan area, cities of the first class, municipalities of the second and third class outside the metropolitan area and municipalities of the second and third class within the metropolitan area, one member from each of the following groups: The metropolitan council, an outstate regional body, Minnesota higher education coordinating commission, school districts located in cities of the first class, school districts in the metropolitan area, and school districts outside the metropolitan area; one member from each of the state departments of administration, education, legislative auditor and revenue; one member from the office of the state auditor and four members from the state community at large. To the extent permitted by available resources the commissioner shall furnish staff and other assistance as requested by the council.

Subd. 2. The council shall assist the commissioner in the development and updating of an intergovernmental information systems master plan, including data standards and program budgeting systems and standards; recommending to the commissioner policies and procedures governing the collection, security and confidentiality of data; review and comment on all applications for federal or foundation funding for information systems and on all computer systems involving intergovernmental funding; keep local governments abreast of the state of the art in information systems and prepare guidelines for intergovernmental systems.

Subdivision 1-Subd. 3 . The intergovernmental informations services advisory council shall develop recommendations to the commissioner of taxation for the expeditious gathering and reporting of the information and data specified herein.

Subd. 2-4 . The state and each unit of local government including school districts shall report the following data, to the extent feasible, and such data shall be compiled and reported by the commissioner:

(a) the incidence, rates, distribution, exemption from and total revenue raised of state and local sales, property, income taxes, special assessments and other revenue sources of the state and each unit of local government;

(b) the bonded indebtedness of local units of government and the relationship of such debt to statutory debt limits;

(c) the distribution of the state funds, by category, to each local unit of government;

(d) the amounts of state and federal grant-in-aid assistance to each local unit of government and state agencies by category;

(e) and such other information as the commissioner may require.

Subd. 3-5 . The commissioner shall promulgate rules regulating the reporting and gathering of such data and the rules shall provide, to the maximum degree possible, that data is reported in a form readily processed by or convertible to EDP techniques utilized by the commissioner or public examiner.

Subd. 4-6 . Data collected and compiled pursuant to the rules shall be available to any state or local official and employee and any private person under such reasonable conditions and fees as the commissioner shall prescribe. Compilations of such data by the commissioner shall be in a reasonable form and available not later than April 1 of each year. Reporting periods for the state and each local unit of government shall be from January 1 to June 30 and from July 1 to December 31.

Sec. 3. Minnesota Statutes 1971, Section 16.93, is amended to read:

16.93 SCHOOL DISTRICTS' PLANS AND BUDGETS. A school district may expend funds for computerization of administrative, instructional, or other activities only after filing annually with the state department of education a plan and budget covering such activities and only upon approval thereof by the state department. Criteria to be used by the department in making its determinations must include, but are not limited to, the state plan as prepared by the commissioner of administration; policies and programs of the intergovernmental ~~commission on information systems~~ services advisory council; and cost effectiveness considerations of the department. All resulting decisions of the department are to be reported promptly to the commissioner of administration and the intergovernmental ~~commission council~~ . To the extent permitted by available resources, the commissioner of administration may furnish staff and other assistance to the department of education in conjunction with its performance of the duties imposed by this section.

Sec. 4. Minnesota Statutes 1971, Section 16.92, is repealed.
