Before proceeding with the acquisition of any such area or other rights, the council shall by resolution offer a grant covering the full cost of acquisition to the municipality, park district or county in which the area or other rights are situated. If the acquisition process has not been initiated within 60 days or if the area or other rights have not been acquired within 12 months after the adoption of the resolution, the council may by resolution offer such a grant to another park district or county or to a municipality in the metropolitan area. If the acquisition process has not been initiated within 60 days or if the area or other rights have not been acquired within six months after the adoption of the resolution, the council may direct the commission to proceed with acquisition.
