

Subd. 2. Upon a finding by the governor, after due consideration of available information and consultation with such federal and state officials as he deems appropriate, that it is necessary to reduce highway vehicular speeds, the commissioner of highways, with the approval of the governor, shall, by order, designate the maximum allowable speed of vehicles using the highways of this state. The order shall be effective the day following the filing of a certified copy thereof in the office of the secretary of state, and shall remain in effect until rescinded by order of the commissioner of highways. Any speed in excess of the designated maximum speed as contained in the order is unlawful. Any person operating a vehicle on the highways of this state in excess of the designated maximum speed is guilty of a petty misdemeanor; except that a person who violates the designated maximum speed in a manner or under circumstances so as to endanger or be likely to endanger any person or property, or who is convicted of a third or subsequent violation of the designated maximum speed, such violations being committed within a 12 month period, is guilty of a misdemeanor.

Subd. 3. The provisions of Minnesota Statutes, Section 169.14 and the provisions of any other law authorizing highway vehicular speeds in excess of the maximum speed designated in the order of the commissioner of highways provided for in subdivision 2 are inapplicable and of no effect during the period of time in which the order of the commissioner of highways is in effect.

Subd. 4. The provisions of this section do not apply to authorized emergency vehicles when responding to emergency calls.

Sec. 2. This act is effective the day following its final enactment.

Approved March 1, 1974.
