The application shall be in the form prescribed by the Bureau of Criminal Apprehension and with such additional information as the governing body of the city or county having jurisdiction over the license may require. If the governing body of the city or county having jurisdiction, or the bureau on its own initiative shall determine that a comprehensive background and investigation of the applicant is necessary, it may conduct the investigation itself or contract with the bureau for the investigation. In addition, an investigation may be required prior to renewal of an existing on-sale license when the governing body of the city or county deems it to be in the public interest to do so. No license shall be issued, transferred or renewed if the results of the investigation show, to the satisfaction of the governing body, that issuance, transfer or renewal would not be in the public interest. An investigation fee not to exceed \$500 shall be charged an applicant by the city or county if the investigation is conducted within the state, or the actual cost not to exceed \$10,000 if the investigation is required outside the state, shall be charged an applicant by the city or county.
