Section 1. Minnesota Statutes 1976, Section 17B.15, Subdivision 2, is amended to read:

Subd. 2. **AGRICULTURE; GRAIN INSPECTION; FEES.** The commissioner is directed to adjust his schedule of fees before the end of each fiscal year to provide that the initial charge made for services to be rendered during the next fiscal year shall be sufficient to provide an income during the latter fiscal year equal to the amount of the expenditures for that year for salaries, overtime, expenses, which shall include without limitation, an amount for state retirement and social security contributions. The commissioner is directed to review the fee schedule each April and October. If income for the two-year period ending December and June prior to each review period is not equal to 100 percent, or is greater than 110 percent, of expenditures for salaries, overtime and expenses which shall include without limitation, an amount for state retirement and social security contributions, the commissioner shall adjust fees accordingly.
