An act relating to retirement; definition of teacher; exemptions; amending Minnesota Statutes, 1977 Supplement, Section 354.05, Subdivision 2.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes, 1977 Supplement, Section 354.05, Subdivision 2, is amended to read:

Subd. 2. **TEACHER.** The word "teacher" includes any person who has rendered, is rendering, or shall hereafter render, service as a teacher, supervisor, principal, superintendent, or librarian in the public schools of the state, located outside of the corporate limits of the cities of the first class, in the state universities, or in any charitable or state institution including penal and corrective institutions supported, in whole or in part, by public funds, or who has been engaged, is engaged, or shall hereafter be engaged, in educational administration in connection with the state public school system, including the state university system and state community college system, but excluding the university of Minnesota, whether the position be a public office or an employment, not including members of any general governing or managing board or body connected with such systems, or the officers of common, independent, special, or associated school districts, or unorganized territory. The term shall also include an employee of the teachers retirement association employed subsequent to July 1, 1969, and any nurse, counselor, social worker or psychologist who has rendered, is rendering or shall hereafter render service in the public schools as defined above or in state universities. The term shall also include any person who renders teaching service on a part time basis and who also renders other services for a school district. In such cases, the teachers retirement association shall have the authority to determine whether all or none of such combined employment will be covered by the teachers retirement association. The term does not mean any person who works for such school or institution as an independent contractor. During any fiscal year, the term also does not mean a person who works for a school or institution on a part time basis where the person has certified that he has established and is contributing to an individual retirement account; provided that the certification is made annually and is made on a form prescribed by the executive director.
