

CHAPTER 169 — S.F.No. 823

An act relating to transportation; regulating apportionment from the municipal state-aid street fund; providing for the inclusion of certain cities in the 1981 apportionment of municipal state-aid street funds.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. **LEGISLATIVE FINDING.**

The legislature finds and determines that there are cities within the state which have achieved a population of 5,000 or more but which, because of the unavailability of a final tabulation of the 1980 federal census, were not included in the calendar year 1981 apportionment of municipal state-aid street funds. The legislature therefore determines that there is a need to provide by law for the eligibility of these cities for municipal state-aid street fund apportionment in accordance with article XIV, section 8 of the constitution.

Sec. 2. **POPULATION; APPORTIONMENT OF FUNDS.**

The commissioner of transportation may by order include in the apportionment of municipal state-aid street funds for calendar year 1981 any cities which he determines, on the basis of preliminary or final information derived from the 1980 federal census, to have achieved a population of 5,000 or more as of January 1, 1981. The commissioner shall apportion to each the amount to which it is entitled according to the formula provided in Minnesota Statutes, Section 162.13, and the apportionment shall be based on the commissioner's determination of the approved money needs, and population as of January 1, 1981, of each. The commissioner shall reduce the amounts already apportioned to cities from the municipal state-aid street fund for calendar year 1981 by the amount necessary to make the apportionment required by this act.

Sec. 3. **LATER APPORTIONMENTS.**

For apportionments of municipal state-aid street funds for calendar years 1982 to 1990 the population of each city included in the 1981 municipal state-aid street fund apportionment by order of the commissioner pursuant to this act shall be determined by the final tabulation of the 1980 federal census.

Sec. 4. **EFFECTIVE DATE.**

This act is effective the day following final enactment.
