The standards set forth in the plan are the minimum standards which may be adopted by the board and by the counties for the protection and enhancement of the natural, scientific, historical, recreational and cultural values of the Mississippi River and related shoreland areas subject to the plan. Except for forest management, fish and wildlife habitat improvement, and open space recreational uses as defined in the plan, no state or county lands within the boundaries established by the plan shall be offered for public sale or lease. The board may amend the plan in any way that does not reduce the minimum standards set forth in the plan approved on February 12, 1981.

Subd. 2. ADVISORY COMMITTEES; HEARINGS. The board shall appoint advisory committees, representing a broad geographical area and diverse public interests, and conduct public meetings and hearings necessary to afford the public an opportunity to become fully informed of all deliberations in the preparation and implementation of the plan.

Subd. 3. GOVERNMENTAL AGENCIES. The board shall initiate and maintain contacts with governmental agencies as necessary to properly prepare the plan and shall negotiate cooperative management agreements with the United States forest service and bureau of land management and the state department of natural resources. The board, Beltrami, Cass, Hubbard, and Itasca Counties shall initiate and maintain contacts with the governing body of the Leech Lake Indian Reservation and shall negotiate a cooperative management and jurisdiction agreement with the reservation governing body on or before September 1, 1981.

Subd. 5. IMPLEMENTATION. The board shall develop and establish a schedule for implementation and common administration of the plan by the counties. The schedule shall be binding upon the counties subject to approval by the governing bodies of the respective counties.

Subd. 6. FUNDS. The board shall annually submit to each county for its approval an estimate of the funds it will need from that county in the next fiscal year to prepare and implement the plan and otherwise carry out the duties imposed upon it by sections 1 to 6. Each county shall, upon approval of the estimate by its governing body, furnish the necessary funds to the board. The board may apply for, receive and disburse federal, state and other grants and donations.

Changes or additions are indicated by underline, deletions by strikethrough.

Subd. 7. CONTRACTS. The board may employ staff and contract for goods and services as necessary to implement sections 1 to 6. Contracts are subject to the statutory procedures and restrictions applicable to county contracts.

Sec. 4. [114B.04] REVIEW AND CERTIFICATION OF LAND USE ACTIONS.

Subdivision 1. PURPOSE. In order to insure that the comprehensive land use plan prepared by the board is not nullified by unjustified exceptions in particular cases and to promote uniformity in the treatment of applications for exceptions, a review and certification procedure is established for the following categories of land use actions taken by the counties and directly or indirectly affecting land use within the area covered by the plan:

(a) The adoption or amendment of an ordinance regulating the use of land, including rezoning of particular tracts of land;

(b) The granting of a variance from provisions of the land use ordinance; and

(c) The approval of a plat which is inconsistent with the land use ordinance.

Subd. 2. CERTIFICATION. Notwithstanding any provision of chapter 394 to the contrary no action of a type specified in subdivision 1, clauses (a) to (c) is effective until the board has reviewed the action and certified that it is consistent with the comprehensive plan of the board. In determining consistency of ordinances and ordinance amendments, the provisions of the comprehensive land use plan shall be considered minimum standards. An aggrieved person may appeal a decision of the type specified in subdivision 1, clauses (a) to (c) which is reviewed by the board under this section in the same manner as provided for review of a decision of a board of adjustment in section 394.27, subdivision 9, but only after the procedures prescribed under this section have been completed.

Subd. 3. PROCEDURE FOR CERTIFICATION. A copy of all notices of public hearings or, when a hearing is not required, a copy of the application to consider any actions of a type specified in subdivision 1, clauses (a) to (c) shall be forwarded to the board by the county at least 15 days prior to the hearing or meetings to consider the actions. The county shall notify the board of its final decision on the proposed action within ten days of the decision. No later than 30 days from the time it receives the notice, the board shall notify the county and the applicant of its approval or disapproval of the proposed action.

Subd. 4. DISAPPROVAL OF ACTIONS; HEARING. In the case of notice of disapproval issued by the board, either the county or the applicant

may, within 30 days of notice, file with the board a demand for a hearing. If no demand is filed during that period, the disapproval becomes final. If a demand is filed during that period, a hearing shall be held within 60 days of demand and shall be preceded by two weeks published notice. Within 30 days after the hearing, the board shall either affirm its disapproval of the proposed action or certify its approval thereof.

Sec. 5. [114B.05] INCORPORATION AND ANNEXATION.

When land subject to the comprehensive land use plan of the board is annexed, incorporated or otherwise subjected to the land use planning authority of a home rule charter or statutory city, a moratorium shall exist on all subdivision platting and building permits on that land until zoning regulations are adopted for that land which comply with the provisions of the comprehensive plan of the board. The moratorium shall also apply to construction, grading and filling, and vegetative cutting as those activities are defined in the comprehensive plan. This section does not apply to work done pursuant to lawful permits issued before the land became subject to the land use planning authority of the city.

Sec. 6. [114B.06] BIENNIAL REPORT.

During the first year of each biennial legislative session, the board shall prepare and present to the appropriate policy committees of the legislature a report concerning the actions of the board in exercising the authority granted by the legislature pursuant to sections 1 to 5. The report shall include an assessment of the effectiveness of the board's comprehensive land use plan and its implementation in protecting and enhancing the natural, scientific, historical, recreational and cultural values of the Mississippi River and related shorelands situated within the member counties.

Sec. 7. [114B.07] APPLICABILITY.

Sections 1 to 6 apply to the counties of Clearwater, Hubbard, Beltrami, Cass, Itasca, Aitkin, Crow Wing and Morrison.

Sec. 8. EFFECTIVE DATE.

Sections 1 to 7 are effective upon approval by all the respective governing bodies of the counties of Clearwater, Hubbard, Beltrami, Cass, Itasca, Aitkin, Crow Wing and Morrison, and upon compliance with Minnesota Statutes, Section 645.021, Subdivision 3. Sections 1 to 7 shall not be effective unless all of the counties approve and comply with Minnesota Statutes, Section 645.021, Subdivision 3, by September 1, 1981. In the event any of the counties shall fail to approve and comply with Minnesota Statutes, Section 645.021, Subdivision 3, that portion of the Mississippi River and related shoreland areas within the areas subject to the plan lying within such county shall be designated under Minnesota Statutes, Section 104.35, Subdivision 4, and shall be managed

in accordance with the plan approved on February 12, 1981. The membership of the board shall consist of the remaining counties.
