

permits, and all other work, other than specific site and route designation, from an assessment made quarterly, at least 30 days before the start of each quarter, by the board against all utilities. The assessment shall also include an amount sufficient to cover 60 percent of the costs to the pollution control agency of developing the acid deposition control plan required by sections 1 to 4; this amount shall be certified to the board by the executive director of the pollution control agency. Each share shall be determined as follows: (1) the ratio that the annual retail kilowatt-hour sales in the state of each utility bears to the annual total retail kilowatt-hour sales in the state of all such utilities, multiplied by 0.667, plus (2) the ratio that the annual gross revenue from retail kilowatt-hour sales in the state of each utility bears to the annual total gross revenues from retail kilowatt-hour sales in the state of all such utilities, multiplied by 0.333, as determined by the board. The assessment shall be credited to the general fund and shall be paid to the state treasury within 30 days after receipt of the bill, which shall constitute notice of said assessment and demand of payment thereof. The total amount which may be assessed to the several utilities under authority of this subdivision shall not exceed the sum of the annual budget of the board for carrying out the purposes of this subdivision plus 60 percent of the annual budget of the pollution control agency for developing the plan required by sections 1 to 4. The assessment for the second quarter of each fiscal year shall be adjusted to compensate for the amount by which actual expenditures by the board and the pollution control agency for the preceding fiscal year were more or less than the estimated expenditures previously assessed.

#### Sec. 6. APPROPRIATION.

The sum of \$81,455 is appropriated from the general fund to the agency for the purposes of this act; for fiscal year 1983, the assessment pursuant to section 5 shall not exceed this amount.

#### Sec. 7. EFFECTIVE DATE.

Section 5 is effective June 1, 1982. Sections 1 to 4 are effective July 1, 1982.

Approved March 19, 1982

### CHAPTER 483 — H.F.No. 1852

*An act relating to waters; making the water well contractors and exploratory borers advisory council permanent; amending Minnesota Statutes 1980, Section 156A.06, Subdivision 1.*

Changes or additions are indicated by underline, deletions by ~~strikeout~~.

## BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 1980, Section 156A.06, Subdivision 1, is amended to read:

Subdivision 1. There is hereby created the water well contractors and exploratory borers advisory council, herein referred to as the "advisory council," as an advisory council to the state commissioner of health. The advisory council shall be composed of 13 voting members. Of the 13 voting members, one member shall be from the state department of health, appointed by the state commissioner of health; one member shall be from the department of natural resources, appointed by the commissioner of natural resources; one member shall be a member of the Minnesota geological survey of the University of Minnesota appointed by the director; two members shall be engaged in the business of exploratory boring for minerals; two public members who are not connected with the business of exploratory boring or the water well drilling industry; and six members shall be contractors actively engaged in the water well drilling industry, not to exceed two from the seven county metropolitan area and at least four from the remainder of the state who shall be representative of different geographical regions. They shall be residents of the state of Minnesota and appointed by the commissioner of health. No appointee of the water well drilling industry shall serve consecutive terms. The appointees to the advisory council from the water well drilling industry shall have been bona fide residents of this state for a period of at least three years prior to appointment and shall have had at least five years experience in the water well drilling business. The council shall not expire and, but the terms of the appointed members and the compensation and removal of all members shall be as provided in section 15.059.

Sec. 2. EFFECTIVE DATE.

This act is effective the day following its final enactment.

Approved March 19, 1982
