

after January 1, 1985, include at least three hours of training in handling domestic violence cases.

Sec. 2. Minnesota Statutes 1982, section 629.72, is amended by adding a subdivision to read:

Subd. 4. SERVICE OF ORDER FOR PROTECTION. If an order for protection is issued pursuant to section 518B.01 while the arrested person is still in detention, the order shall be served upon the arrested person during detention if possible.

Sec. 3. Laws 1983, chapter 52, is amended by adding a section to read:

Sec. 4. EFFECTIVE DATE.

This act is effective June 1, 1983.

Approved June 1, 1983

CHAPTER 227 — S.F.No. 366

An act relating to appropriations; authorizing the Arrowhead regional development commission to repay an appropriation with funds raised by a levy; amending Laws 1981, chapter 356, section 30.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Laws 1981, chapter 356, section 30, is amended to read:

Sec. 30. ENERGY, DEVELOPMENT AND PLANNING

General Operations and Management	11,208,700	9,637,350
-----------------------------------	------------	-----------

Approved Complement - 249

General - 161

Federal - 86

Revolving - 2

Planning

\$ 3,882,750	\$ 3,882,750
--------------	--------------

The following functions are included in this program: planning for crime control, human resources, physical planning, developmental disabilities, program review, health and critical areas; land management information center; state demographer; EQB administration; power plant studies; and

Changes or additions are indicated by underline, deletions by ~~strikeout~~.

environmental impact statement preparation.

\$99,000 each year is for criminal justice planning and grants administration, including expenses for the crime control planning board.

\$75,000 each year is for criminal justice grants and administration and shall be expended with the approval of the governor after consultation with the legislative advisory commission pursuant to Minnesota Statutes, Section 3.30.

\$250,000 each year is for grants for youth intervention programs.

\$101,000 each year is for a grant to the environmental conservation library (ECOL).

\$261,000 each year is for the service bureau of the land management information center.

Community Development

\$ 2,923,550 \$ 1,665,000

The following functions are included within this program: technical assistance, fiscal studies, planning assistance grants, small business assistance, business and community contact, international trade, grants and loans, and Indian business loans.

\$87,000 each year is for a grant to the Duluth Port Authority.

\$215,000 each year is for community development corporations.

\$959,000 the first year and \$479,500 the second year is for regional planning grants.

\$300,000 the first year and \$150,000 the second year is for land use planning grants to local governments.

The payment of \$300,000 to the Arrowhead regional development commission made in 1979 by action of the legislative advisory commission upon request of the state planning agency shall be repaid by the Arrowhead commission through the performance by the Arrowhead commission of communi-

ty and economic development projects. Beginning in fiscal year 1982, at least \$75,000 of the appropriation authorized under Minnesota Statutes, Section 462.396 shall be committed for the purposes of this repayment and shall continue to be committed in succeeding fiscal years until the sum of the original payment is reached. In addition, for the purposes of this repayment, the commission may utilize funds raised by the levy authorized in Minnesota Statutes, section 462.396, or funds leveraged from other sources, to be used in conjunction with any levy funds. Proposed community and economic development projects for which this funding will be utilized will be specified by the Arrowhead commission in a detailed work program contained within the annual work program required under section 462.396. This detailed work program shall be submitted to the legislative commission on Minnesota resources annually for approval prior to the expenditure of any monies provided in this section. The work program and any progress reports shall be in the form determined by the legislative commission on Minnesota resources.

\$42,500 each year is for a grant to the government training service.

Tourism

\$ 1,293,300	\$ 1,306,800
--------------	--------------

\$600,000 each year is for tourism advertising and promotion.

\$350,000 each year is for tourism grants.

Energy

\$ 2,154,100	\$ 1,826,500
--------------	--------------

\$300,000 in the first year is for district heating preliminary planning grants to municipalities for planning related to the development of district heating systems. The municipality must demonstrate that a community heatload survey and map have been successfully completed, that potential district heating load is sufficiently large to justify further consideration, and that suffi-

Changes or additions are indicated by underline, deletions by ~~strikeout~~.

cient resources are available for the municipality to meet its financial requirements. Eligible planning grant costs include project definition, development of preliminary financing and distribution system plans, and obtaining community commitment for detailed planning or design and preparation of a final report. The amount of a grant shall be limited to 90 percent of eligible planning costs and shall not exceed \$20,000.

The director of the energy agency shall prepare and submit to the legislative advisory commission a list of district heating grant requests. The list shall contain the necessary supporting information. The recommendation of the legislative advisory commission shall be transmitted to the governor. The governor shall approve or disapprove, or return for further consideration, each project recommended for approval by the legislative advisory commission. The grants may be disbursed only upon approval by the governor.

\$130,000 the first year and \$70,000 the second year is for a superinsulated home demonstration project. Grants from this appropriation are available only when matched from private resources on a dollar for dollar basis.

General Support

\$ 955,000 \$ 956,300

In the first year the amount for each agency prior to the merger of the four agencies is as follows:

Crime Control Planning Board

\$ 100,000

State Planning Agency

\$ 325,000

Economic Development

\$ 330,000

Energy Agency

\$ 200,000

Changes or additions are indicated by underline, deletions by ~~strikeout~~.

When the merger occurs, any unexpended balances from the above appropriation are available to the merged department for the purposes of general support.

The commissioner shall present a complete budget and staffing plan to the committees on finance in the senate and appropriations in the house by September 1, 1981.

Sec. 2. EFFECTIVE DATE.

Section 1 is effective the day following final enactment.

Approved June 1, 1983

CHAPTER 228 — S.F.No. 427

An act relating to the safety of buildings and structures; regulating the application of the state building code to hospitals; establishing new requirements for the use of glazed safety glass in hazardous locations; amending Minnesota Statutes 1982, sections 16.851, subdivision 3; and 299G.13, subdivisions 3 and 10.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 1982, section 16.851, subdivision 3, is amended to read:

Subd. 3. Nothing in the state building code shall require that each door entering a sleeping or patient's room from a corridor in a nursing home or hospital with an approved complete standard automatic fire extinguishing system be constructed or maintained as self-closing or automatically closing.

Sec. 2. Minnesota Statutes 1982, section 299G.13, subdivision 3, is amended to read:

Subd. 3. "Hazardous locations" means those structural elements, glazed or to be glazed, in residential buildings and other structures used as dwellings, commercial buildings, industrial buildings, and public buildings, known as interior and exterior commercial entrance and exit doors, and the immediately adjacent flat fixed operable and inoperable glazed panels, sliding glass door units including the fixed glazed panels which are part of such units, storm or combination doors, shower and bathtub enclosures, primary residential entrance and exit doors and the fixed or operable and inoperable adjacent sidelites, whether or not the glazing in such doors, panels and enclosures is transparent.
