

county since October 1 of the preceding year, whereupon the county auditor shall levy a tax upon the taxable property in the assessment district or districts wherein such reassessment was made sufficient to pay the same. One-half of such tax shall be levied in the year in which the commissioner of finance revenue so notifies the county auditor and the remaining one-half shall be levied in the following year. The respective counties shall reimburse the state by paying one-half of the tax so assessed on or before July 1 and the remaining one-half on or before December 1 in the year in which the tax is payable by owner, whether or not the tax was collected by the county. The reimbursement shall be credited to the general fund described in subdivision 1 hereof. If any county fails to reimburse the state within the time specified herein, the commissioner of revenue is empowered to order withholding of state aids or distributions to such county equal to the amount delinquent.

Sec. 5. PAYMENT DELAY; REDUCTION.

The commissioner of finance shall delay payment of money due to the University of Minnesota during May and June, 1983, pursuant to direct appropriations until the commissioner determines that allotment reductions under Minnesota Statutes, section 16A.15, subdivision 1, will not be necessary to prevent a deficit for the biennium ending June 30, 1983. If the commissioner finds that allotment reductions will be necessary, he shall first reduce allotments to the University of Minnesota and shall not reduce allotments to school districts or other recipients of state money until all allotments remaining to be paid to the University of Minnesota have been eliminated.

Sec. 6. REPEALER.

Minnesota Statutes 1982, section 41.61, subdivisions 2 and 3 are repealed.

Sec. 7. EFFECTIVE DATE.

This act is effective the day following final enactment.

Approved June 14, 1983

Changes or additions are indicated by underline, deletions by ~~strikeout~~.

Sec. 16. CONSULTATION REQUIRED.

No land shall be purchased and no buildings shall be purchased, constructed, or erected on lands of the University of Minnesota until the regents have first consulted with the chairman of the senate finance committee and the chairman of the house appropriations committee and obtained their recommendations, which are advisory only.

Sec. 17. REVIEW OF PLANS.

The commissioner of administration, the commissioner of transportation, and the board of regents of the University of Minnesota shall not prepare final plans and specifications for any construction or major remodeling authorized by this act until the using agency or department has presented the program and schematic plans and cost estimates for all elements necessary to complete the project to the chairman of the house appropriations committee and the chairman of the senate finance committee and the chairmen have made their recommendations thereon. The recommendations are advisory only. Failure or refusal to make a recommendation promptly is deemed a negative recommendation.

Sec. 18. APPROPRIATIONS FOR CONSTRUCTION; TRANSFER.

Upon the awarding of final contracts for the completion of a project for construction or other permanent improvement authorized by this act, the commissioners of administration and transportation and the board of regents of the University of Minnesota as to appropriations made to them may transfer any unencumbered balance in the project account to any other project enumerated in the same section of the appropriation act as the project about to be completed. The money transferred pursuant to this section is appropriated for the purposes for which transferred. The commissioners of administration and transportation and the board of regents of the University of Minnesota shall report to the chairman of the house appropriations committee and the chairman of the senate finance committee on any transfer made pursuant to this section.

Sec. 19. APPROPRIATIONS FOR CONSTRUCTION; FEDERAL MONEY; EXCEEDING AUTHORIZED COST.

The commissioner of administration, the commissioner of transportation, and the board of regents of the University of Minnesota shall apply for the maximum federal share for each capital improvement project for which money is appropriated by this act. Encumbrance or expenditure of money in excess of the project authorization shall be made only after the commissioner of administration, the commissioner of transportation, and the board of regents, as appropriate, have consulted with the chairman of the house appropriations committee and the chairman of the senate finance committee and the chairmen have made their recommendations thereon. The recommendations are advisory only. Failure or refusal to make a recommendation promptly is deemed a negative recommendation.

Sec. 20. METHODS OF ACQUISITION.

Where money has been appropriated by this act to the commissioner of administration to acquire lands or sites for public buildings or real estate, acquisition may be by gift, purchase, or condemnation proceedings. Condemnation proceedings shall be pursuant to Minnesota Statutes, chapter 117.

Sec. 21. REVOLVING LAND FUND STUDY.

The commissioner of natural resources shall review the concept of a revolving land fund and report to the legislature by January 15, 1984 with his findings and recommendations.

Sec. 22. [16.321] ART IN STATE BUILDINGS.

Subdivision 1. PERCENT OF APPROPRIATIONS FOR ART. An appropriation for the construction or alteration of any state building that is enacted on or after the effective date of this act may contain an amount not to exceed one percent of the total appropriation for the building for the acquisition of works of art, excluding landscaping, which may be an integral part of the building or its grounds, attached to the building or grounds or capable of being displayed in other state buildings. Money used for this purpose is available only for the acquisition of works of art to be exhibited in areas of a building or its grounds accessible, on a regular basis, to members of the public. For the purposes of this section "state building" means a building the construction or alteration of which is paid for wholly or in part by the state.

Subd. 2. EXEMPT BUILDINGS. A building for which the appropriation is less than \$500,000 for construction or alteration or a building for which the commissioner of administration has determined that this section is inappropriate is exempt from the requirements of this section.

Subd. 3. UNUSED FUNDS. If an amount made available under subdivision 1 is not expended for works of art for the building, the unexpended portion is available to the Minnesota board of the arts for the commission or purchase of works of art for state buildings existing or for which an appropriation was made prior to the effective date of this act and is not available to pay construction costs of the building.

Sec. 23. Minnesota Statutes 1982, section 85.015, is amended by adding a subdivision to read:

Subd. 14. STATE TRAIL, RAMSEY AND WASHINGTON COUNTIES. (a) The trail shall originate at milepost 446.19 on the Soo Line Railroad right-of-way in the Southeast Quarter of Section 19, Township 29 North, Range 22 West, Ramsey County, and shall extend in an easterly and northeasterly direction along the Soo Line Railroad right-of-way to milepost 438.33 in the Southwest Quarter of Section 5, Township 29 North, Range 21 West, in Washington County, and there terminate.

Changes or additions are indicated by underline, deletions by ~~strikeout~~.

(b) The trail shall be developed primarily for hiking and nonmotorized riding.

(c) In addition to the authority granted in Minnesota Statutes, section 85.015, subdivision 1, lands and interests in lands for the trail may be acquired by eminent domain.

(d) The commissioner of natural resources, after consulting with all local units of government affected by the trail, and with the commissioner of transportation and the metropolitan council, shall prepare a master plan for the trail. After completion of the master plan, any land or interest in land not needed for the trail may be disposed of by the commissioner of natural resources as follows:

(1) by transfer to the department of transportation, the historical society, or another state agency;

(2) by sale at not less than the purchase price to a city, town, school district, park district, or other political subdivision whose boundaries include or are adjacent to the land, for public purposes only, after written notice to each of these political subdivisions; or

(3) if no offer to purchase is received from any political subdivision within one year after the completion of the master plan, then by public sale, at not less than the purchase price, upon notice published in the manner provided in section 92.14, and otherwise in the same manner as trust fund lands are sold, so far as applicable.

All proceeds derived from sales of unneeded land and interest in land shall be deposited in the state bond fund. For the purposes of United States Code, title 23, section 138, and title 49, section 1653(f), any land or interest in land not needed for the trail and transferred to another state agency, or sold, does not constitute permanent park, recreation area, or wildlife or waterfowl refuge facility land.

Sec. 24. Minnesota Statutes 1982, section 473.147, subdivision 1, is amended to read:

Subdivision 1. The metropolitan council after consultation with the parks and open space commission, municipalities, park districts and counties in the metropolitan area, and after appropriate public hearings, shall prepare and adopt a long-range system policy plan for regional recreation open space as part of the council's metropolitan development guide. The plan shall substantially conform to all policy statements, purposes, goals, standards, and maps in development guide sections and comprehensive plans as developed and adopted by the council pursuant to the chapters of the Minnesota Statutes directly relating to the council. The policy plan shall identify generally the areas which should be acquired by a public agency to provide a system of regional recreation open space comprising park district, county and municipal facilities which, together with

state facilities, reasonably will meet the outdoor recreation needs of the people of the metropolitan area and shall establish priorities for acquisition and development. In preparing or amending the policy plan the council shall consult with and make maximum use of the expertise of the commission. The policy plan shall include a five year capital improvement program, which shall be revised periodically, and shall establish criteria and priorities for the allocation of funds for such acquisition and development. The legislature in each bonding measure shall designate an anticipated level of funding for this acquisition and development for each of the two succeeding bienniums.

Sec. 25. Minnesota Statutes 1982, section 473.436, subdivision 5, is amended to read:

Subd. 5. **BUS PURCHASES AND OTHER IMPROVEMENTS.** In addition to obligations outstanding on January 1, 1980 1983, the commission may issue certificates of indebtedness, bonds or other obligations in an amount not exceeding \$9,000,000 \$12,000,000 for the purposes of purchasing and rehabilitation of buses and related equipment, and constructing maintenance and other buildings, bus shelters and road related improvements.

Sec. 26. **EFFECTIVE DATE.**

This act is effective the day following final enactment.

Approved June 14, 1983
