Subdivision 1. ESTABLISHMENT. An economic development authority may create and define the boundaries of economic development districts at any place or places within the city if the district satisfies the requirements of section 273.73, subdivision 10, except that the district boundaries must be contiguous, and may use the powers granted in sections 13 to 33 to carry out its purposes. First the authority must hold a public hearing on the matter. At least ten days before the hearing, the authority shall publish notice of the hearing in a daily newspaper of general circulation in the city. Also, the authority shall find that an economic development district is proper and desirable to establish and develop within the city.

Subd. 2. ACQUIRE PROPERTY. The economic development authority may acquire by lease, purchase, gift, devise, or condemnation proceedings the needed right, title, and interest in property to create economic development districts. It shall pay for the property out of money it receives under sections 13 to 33. It may hold and dispose of the property subject to the limits and conditions in sections 13 to 33. The title to property acquired by condemnation or purchase must be in fee simple, absolute. The authority may accept an interest in property acquired in another way subject to any condition of the grantor or donor. The condition must be consistent with the proper use of the property under sections 13 to 33. Property acquired, owned, leased, controlled, used, or occupied by the authority for any of the purposes of this section is for public governmental and municipal purposes and is exempt from taxation by the state or by its political subdivisions. The exemption applies only while the authority holds property for its own purpose. The exemption is subject to the provisions of section 272.02, subdivision 5. When property is sold it begins to be taxed again.

Subd. 2a. OPTIONS. The economic development authority may sign options to purchase, sell, or lease property.

Subd. 3. EMINENT DOMAIN. The economic development authority may use eminent domain under chapter 117, or under its city's charter to acquire property it is authorized to acquire by condemnation. The authority may acquire in this way property acquired by its owner by eminent domain or property already devoted to a public use only if its city's council approves. The authority may possess property to be condemned after it files a petition in condemnation proceedings describing the property. The authority may abandon the condemnation before taking possession.

Subd. 4. CONTRACTS. The economic development authority may make contracts for the purpose of economic development within the powers given it in sections 13 to 33. The authority may contract or arrange with the federal government, or any of its departments, with persons, public corporations, the state, or any of its political subdivisions, commissions, or agencies, for separate or joint action, on any matter related to using the authority's powers or doing its duties. The authority may contract to purchase and sell real and personal property. However, an obligation or expense must not be incurred except when existing appropriations together with the reasonable expected revenue of the

authority from other sources are sufficient to discharge the obligation or pay the expense when due. The state and its municipal subdivisions are not liable on the obligations.

Subd. 4a. LIMITED PARTNER. The economic development authority may be a limited partner in a partnership whose purpose is consistent with the authority's purpose.

Subd. 5. RIGHTS; EASEMENTS. The economic development authority may acquire rights or an easement for a term of years or perpetually for development of an economic development district.

Subd. 6. SUPPLIES; MATERIALS. The economic development authority may buy the supplies and materials it needs to carry out this section.

Subd. 7. RECEIVE PUBLIC PROPERTY. The economic development authority may accept land, money, or other assistance, whether by gift, loan or otherwise, in any form from the federal or state government, or an agency of either, or a local subdivision of state government to carry out sections 13 to 33 and to acquire and develop an economic development district and its facilities under this section.

Subd. 8. DEVELOPMENT DISTRICT AUTHORITY. The economic development authority may sell or lease land held by it for economic development in economic development districts. The authority may acquire, sell, or lease single or multiple tracts of land regardless of size, to be developed as a part of the economic development of the district under sections 13 to 33.

Subd. 9. FOREIGN TRADE ZONE. The economic development authority may apply to the board defined in United States Code, title 19, section 81a, for the right to use the powers provided in United States Code, title 19, sections 81a to 81u. If the right is granted, the authority may use the powers. One authority may apply with another authority.

Subd. 10. RELATION TO CHAPTER 474. The economic development authority may exercise powers and duties of a redevelopment agency under chapter 474, for a purpose in sections 13 to 33 or 462.411 to 462.705. The authority may also use the powers and duties in sections 13 to 33 and 462.411 to 462.705 for a purpose in chapter 474.

Subd. 11. PUBLIC FACILITIES. The authority may operate and maintain a public parking facility or other public facility to promote development in an economic development district.

Sec. 26. [458C.15] GENERAL OBLIGATION BONDS.

Subdivision 1. AUTHORITY; PROCEDURE. An economic development authority may issue general obligation bonds in the principal amount authorized by two-thirds majority vote of its city's council. The bonds may be issued in anticipation of income from any source. The bonds may be issued: (1) to secure funds needed by the authority to pay for acquired property or (2) for

Changes or additions are indicated by underline, deletions by ~~strikeout~~.

other purposes in sections 13 to 33. The bonds must be in the amount and form and bear interest at the rate set by the city council. The authority shall sell the bonds to the highest bidder. The authority shall publish notice of the time and the place for receiving bids, once at least two weeks before the bid deadline. Sections 13 to 33 govern issuance of the bonds. When those sections are silent, chapter 475 governs. The authority when issuing the bonds is a municipal corporation under chapter 475, and issuance of the bonds is subject to the provisions of chapter 475.

Subd. 2. DETAIL; MATURITY. The authority with the consent of its city's council shall set the date, denominations, place of payment, form, and details of the bonds. The bonds must mature serially. The first installment is due in not more than three years and the last in not more than 20 years from the date of issuance.

Subd. 3. SIGNATURES; COUPONS; LIABILITY. The bonds must be signed by the president of the authority, be attested by its secretary, and be countersigned by its treasurer; the signatures may be facsimile signatures. The interest coupons if any, must be attached to the bonds. The coupons must be executed and authenticated by the printed, engrossed, or lithographed facsimile signature of the authority's president and secretary. The bonds do not impose any personal liability on a member of the authority.

Subd. 4. PLEDGE. The bonds must be secured by the pledge of the full faith, credit, and resources of the issuing authority's city. The authority may pledge the full faith, credit, and resources of the city only if the city specifically authorizes the authority to do so. The city council must first decide whether the issuance of the bonds by the authority is proper in each case and if so, what amount of bonds to issue. The city council shall give specific consent in an ordinance to the pledge of the city's full faith, credit, and resources. The authority shall pay the principal amount of the bonds and the interest on it from taxes levied under this section to make the payment or from authority income from any source.

Subd. 5. TAX LEVY. An authority that issues bonds under this section, shall, before issuing them, levy a tax for each year on the taxable property in the authority's city. The tax must be for at least five percent more than the amount required to pay the principal and interest on the bonds as the principal and interest mature. The tax must be levied annually until the principal and interest are paid in full. After the bonds have been delivered to the purchasers, the tax must not be repealed until the debt is paid. After the bonds are issued, the authority need not take any more action to authorize extending, assessing, and collecting the tax. The authority's secretary shall immediately send a certified copy of the levy to the county auditor. The secretary shall send with the copy full information on the bonds for which the tax is levied. The county auditor shall extend and assess the levied tax annually until the principal and interest are paid in full. The authority shall transfer the surplus from the excess levy in this section to a sinking fund after the principal and interest for which the tax

was levied and collected is paid. The authority may direct its secretary to send a certificate to the county auditor before October 15 in a year. The certificate must state how much available income including the amount in the sinking fund the authority will use to pay principal or interest or both on each specified issue of the authority's bonds. The auditor shall then reduce the bond levy for that year by that amount. The authority shall then set aside the certified amount and may not use it for any purpose except to pay the principal and interest on the bonds. The taxes in this section shall be collected and sent to the authority by the county treasurer under the law on collection of other taxes. The taxes must be used only to pay the bonds when due.

Subd. 6. AUTHORIZED SECURITIES. Bonds legally issued under this chapter are authorized securities under section 50.14. A savings bank, trust company, or insurance company may invest in them. A public or municipal corporation may invest its sinking funds in them. The bonds may be pledged by a bank or trust company as security for the deposit of public money in place of a surety bond.

The authority's bonds are instrumentalities of a public governmental agency.

Sec. 27. [458C.16] REVENUE BONDS; PLEDGE; COVENANTS.

Subdivision 1. AUTHORITY. An economic development authority may decide by resolution to issue its revenue bonds either at one time or in series from time to time. The revenue bonds may be issued to provide money to pay to acquire land needed to operate the authority, to purchase or construct facilities, to purchase, construct, install, or furnish capital equipment to operate a facility for economic development of any kind within the city, or to pay to extend, enlarge, or improve a project under its control. The issued bonds may include the amount the authority considers necessary to establish an initial reserve to pay principal and interest on the bonds. The authority shall state in a resolution how the bonds and their attached interest coupons are to be executed.

Subd. 2. FORM. The bonds of each series issued by the authority under this section shall bear interest at a rate or rates, shall mature at the time or times within 20 years from the date of issuance and shall be in the form, whether payable to bearer, registrable as to principal, or fully registrable, as may be determined by the authority. Section 26, subdivision 6, applies to all bonds issued under this section, and the bonds and their coupons, if any, when payable to bearer, shall be negotiable instruments.

Subd. 3. SALE. The sale of revenue bonds issued by the authority shall be at public or private sale. The bonds may be sold in the manner and for the price that the authority determines to be for the best interest of the authority. The bonds may be made callable, and if so issued, may be refunded.

Subd. 4. AGREEMENTS. The authority may by resolution make an agreement or covenant with the bondholders or their trustee. The authority must first decide that the agreement or covenant is needed or desirable to do what the authority may do under this section and to assure that the revenue bonds are marketable and promptly paid.

Changes or additions are indicated by underline, deletions by ~~strikeout~~.

Subd. 5. REVENUE PLEDGE. In issuing general obligation or revenue bonds, the authority may secure the payment of the principal and the interest on the bonds by a pledge of and lien on authority revenue. The revenue must come from the facility to be acquired, constructed, or improved with the bond proceeds or from other facilities named in the bond-authorizing resolutions. The authority also may secure the payment with its promise to impose, maintain, and collect enough rentals, rates and charges, for the use and occupancy of the facilities and for services furnished in connection with the use and occupancy, to pay its current expenses to operate and maintain the named facilities, and to produce and put enough net revenue in a special fund to meet the interest and principal requirements of the bonds, and to collect and keep any more money required by the resolutions. The authority shall decide what is current expense under this subdivision based on what is normal and reasonable under accepted accounting principles. Revenues pledged by the authority must not be used or pledged for any other authority purpose or to pay any other bonds issued under this section or under section 26, unless the other use or pledge is specifically authorized in the bond-authorizing resolutions.

Subd. 6. NOT CITY DEBT. Revenue bonds issued under this section are not a debt of the authority's city nor a pledge of that city's full faith and credit. The bonds are payable only from project revenue as described in this section. A revenue bond must contain on its face a statement to the effect that the economic development authority and its named city do not have to pay the bond or the interest on it except from revenue and that the faith, credit, and taxing power of the city are not pledged to pay the principal of or the interest on the bond.

Subd. 7. NOT APPLICABLE. Sections 474.01, subdivisions 7a, 7b, and 8 and 474.02, subdivision 1d, do not apply to revenue bonds issued under this section and chapter 474 if the interest on the revenue bonds is subject to both state and federal income tax or if the revenue bond proceeds are not loaned by the authority to a private person.

Subd. 8. TAX INCREMENT BONDS. Obligations secured or payable from tax increment revenues and issued pursuant to this section or section 26 are subject to the provisions of section 273.77.

Sec. 28. [458C.17] SECTIONS THAT APPLY IF FEDERAL LIMIT APPLIES.

Sections 474.16 to 474.23 apply to obligations issued under sections 13 to 33 that are limited by a federal limitation act defined in section 474.16, subdivision 5.

Sec. 29. [458C.18] ADDITIONAL POWERS.

Subdivision 1. AS AGENT. An economic development authority may cooperate with or act as agent for the federal or the state government, or a state public body, or an agency or instrumentality of a government or a public body to carry out sections 13 to 33 or any other related federal, state or local law in the area of economic development district improvement.

Changes or additions are indicated by underline, deletions by ~~strikeout~~.

Subd. 2. STUDIES, ANALYSIS, RESEARCH. An authority may study and analyze economic development needs in the city, and ways to meet the needs. An authority may study the desirable patterns for land use for economic development and community growth and other factors affecting local economic development in the city and make the result of the studies available to the public and to industry in general. An authority may engage in research and give out information on economic development within the city.

Subd. 3. PUBLIC RELATIONS. To further an authorized purpose an authority may (1) join an official, industrial, commercial, or trade association, or another organization concerned with the purpose, (2) have a reception of officials who may contribute to advancing the city and its economic development, and (3) carry out other public relations activities to promote the city and its economic development. Activities under this subdivision have a public purpose.

Subd. 4. ACCEPT PUBLIC LAND. An authority may accept conveyances of land from all other public agencies, commissions or other units of government, if the land can be properly used by the authority in an economic development district, to carry out the purposes of sections 13 to 33.

Subd. 5. ECONOMIC DEVELOPMENT. An authority may carry out the law on economic development districts to develop and improve the lands in an economic development district to make it suitable and available for economic development uses and purposes. An authority may fill, grade, and protect the property and do anything necessary and expedient, after acquiring the property, to make it suitable and attractive as a tract for economic development. An authority may lease some or all of its lands or property and may set up local improvement districts in all or part of an economic development district.

In general, with respect to an economic development district, an authority may use all the powers given an economic development authority by law.

Subd. 6. AS BORROWER. An authority after authorizing bonds under section 26 or 27 may borrow to provide money immediately required for the bond purpose. The loans must not exceed the amount of the bonds. The authority shall by resolution decide the terms of the loans. The loans must be evidenced by negotiable notes due in not more than 12 months from the date of the loan payable to the order of the lender or to bearer, to be repaid with interest from the proceeds of the bonds when the bonds are issued and delivered to the bond purchasers. The loan must not be obtained from any commissioner of the authority or from any corporation, association, or other institution of which an authority commissioner is a stockholder or officer.

Subd. 7. AS LENDER. The proceeds of obligations issued by an authority under section 27 and temporary loans obtained under this section may be used to make or purchase loans for economic development facilities that the authority believes will require financing. To make or purchase the loans, the authority may enter into loan and related agreements, both before and after issuing the obligations, with persons, firms, public or private corporations, federal or state agencies, and governmental units under terms and conditions the authority

considers appropriate. A governmental unit in the state may apply, contract for, and receive the loans. Chapter 475 does not apply to the loans.

Subd. 8. MINED SPACE DEVELOPMENT. Upon delegation by a municipality as provided in section 472B.08, an authority may exercise any of the delegated powers in connection with mined underground space development under sections 472B.03 to 472B.07.

Subd. 9. CITY FACILITIES, SERVICES. An authority city may furnish offices, structures, and space, stenographic, clerical, engineering, or other assistance to its authority.

Sec. 30. [458C.19] SALE OF PROPERTY.

Subdivision 1. POWER. An economic development authority may sell and convey property owned by it within the city or an economic development district. First, the authority must decide that the sale and conveyance are in the best interests of the city or district and its people, and that the transaction furthers its general plan of economic development. This section is not limited by other law on powers of economic development authorities.

Subd. 2. NOTICE; HEARING. An authority shall hold a hearing on the sale. At the hearing a taxpayer may testify for or against the sale. At least ten, but not more than 20, days before the hearing the authority shall publish notice of the hearing on the proposed sale in a newspaper. The newspaper must be published and have general circulation in the authority's county and city. The notice must describe the property to be sold and state the time and place of the hearing. The notice must also state that the public may see the terms and conditions of the sale at the authority's office and that at the hearing the authority will meet to decide if the sale is advisable.

Subd. 3. DECISION; APPEAL. The authority shall make its findings and decision on whether the sale is advisable and enter its decision on its records within 30 days of the hearing. A taxpayer may appeal the decision. The appeal is made by filing a notice of appeal with the district court in the city or economic development district's county and serving the notice on the secretary of the authority, within 20 days after the decision is entered. The only ground for appeal is that the action of the authority was arbitrary, capricious, or contrary to law.

Subd. 4. TERMS. The terms and conditions of sale of the property must include the use that the bidder will be allowed to make of it. The authority may require the purchaser to file security to assure that the property will be given that use. In deciding the sale terms and conditions the authority may consider the nature of the proposed use and the relation of the use to the improvement of the authority's city and the business and the facilities of the authority in general. The sale must be made on the authority's terms and conditions. The authority may publish an advertisement for bids on the property at the same time and in the same manner as the notice of hearing required in this section. The authority

Changes or additions are indicated by underline, deletions by ~~strikeout~~.

may award the sale to the bid considered by it to be most favorable considering the price and the specified intended use. The authority may also sell the property at private sale at a negotiated price if after its hearing the authority considers that sale to be in the public interest and to further the aims and purposes of sections 13 to 33.

Subd. 5. ONE-YEAR DEADLINE. The purchaser shall, within one year from the date of purchase, devote the property to its intended use, or shall begin work on the improvements to the property to devote it to that use. If the purchaser fails to do so, the authority may cancel the sale and title to the property shall return to it. The authority may extend the time to comply with a condition if the purchaser has good cause. The terms of sale may contain other provisions that the authority considers necessary and proper to protect the public interest. A purchaser must not transfer title to the property within one year of purchase without the consent of the authority.

Subd. 6. COVENANT RUNNING WITH THE LAND. A sale made under this section must incorporate in the deed as a covenant running with the land the conditions of sections 13 to 33 relating to the use of the land. If the covenant is violated the authority may declare a breach of the covenant and seek a judicial decree from the district court declaring a forfeiture and a cancellation of the deed.

Subd. 7. PLANS; SPECIFICATIONS. A conveyance must not be made until the purchaser gives the authority plans and specifications to develop the property sold. The authority must approve the plans and specifications in writing. The preparation of final plans and specifications before the hearing on the sale is not required by this subdivision but the authority may make that requirement.

Sec. 31. [458C.20] ADVANCES BY AUTHORITY.

An authority may advance its general fund money or its credit, or both, without interest, for the objects and purposes of sections 13 to 33. The advances must be repaid from the sale or lease, or both, of developed or redeveloped lands. If the money advanced for the development or redevelopment was obtained from the sale of the authority's general obligation bonds, then the advances must have not less than the average annual interest rate that is on the authority's general obligation bonds that are outstanding at the time the advances are made. The authority may advance repaid money for more objects and purposes of sections 13 to 33 subject to repayment in the same manner. The authority must still use rentals of lands acquired with advanced money to collect and maintain reserves to secure the payment of principal and interest on revenue bonds issued to finance economic development facilities, if the rentals have been pledged for that purpose under section 27. Advances made to acquire lands and to construct facilities for recreation purposes if authorized by law need not be reimbursed under this section. Sections 13 to 33 do not exempt lands leased from the authority to a private person, or entity from assessments

or taxes against the leased property while the lessee is liable for the assessments or taxes under the lease.

Sec. 32. [458C.22] CITY MAY LEVY TAXES FOR ECONOMIC DEVELOPMENT AUTHORITY.

Subdivision 1. CITY TAX LEVY. A city may, at the request of the authority, levy a tax in any year for the benefit of the authority. The tax must be for not more than .75 mill times the assessed valuation of taxable property in the city. The tax may be levied beyond levy limits in law. The amount levied must be paid by the city treasurer to the treasurer of the authority, to be spent by the authority.

Subd. 2. REVERSE REFERENDUM. A city may increase its levy for economic development authority purposes under subdivision 1 in the following way. Its city council must first pass a resolution stating the proposed amount of levy increase. The city must then publish the resolution together with a notice of public hearing on the resolution for two successive weeks in its official newspaper or if none exists in a newspaper of general circulation in the city. The hearing must be held two to four weeks after the first publication. After the hearing, the city council may decide to take no action or may adopt a resolution authorizing the proposed increase or a lesser increase. A resolution authorizing an increase must be published in the city's official newspaper or if none exists in a newspaper of general circulation in the city. The resolution is not effective if a petition requesting a referendum on the resolution is filed with the city clerk within 30 days of publication of the resolution. The petition must be signed by voters equaling five percent of the votes cast in the city in the last general election. The election must be held pursuant to the procedure specified in section 275.58.

Sec. 33. [458C.23] SPECIAL LAW; OPTIONAL USE.

A city that has established a port authority by special law or that has been granted the power to establish a port authority by special law, or a city whose city council has been authorized to exercise the powers of a port authority by special law may elect to use the powers granted in sections 13 to 33. If the election is made, the powers and duties set forth in sections 13 to 33 supersede the special law and the special law must not be used anymore. The use of powers under sections 13 to 33 by a city described in this section does not impair the security of any obligations issued or contracts or agreements executed under the special law. Control, authority, and operation of any project may be transferred to the authority in the manner provided in section 17.

Sec. 34. LEGISLATIVE FINDINGS.

The statement of policy and the findings of the legislature in enacting Laws 1957, chapter 812, are confirmed and apply equally to the exercise of powers by economic development authorities and statutory or home rule charter cities pursuant to sections 13 to 33.
