Section 1. **[62A.047] CHILDREN'S HEALTH SERVICES.**

No policy of individual or group health and accident insurance regulated under this chapter, or individual or group subscriber contract regulated under chapter 62C, shall be issued, renewed, continued, delivered, issued for delivery, or executed in this state, or approved for issuance or renewal in this state by the commissioner of commerce unless the policy or contract specifically exempts reasonable and customary charges for child health supervision services and perinatal care services from a deductible, copayment, or other coinsurance or dollar limitation requirement. Minimum benefits may be limited to one visit payable to one provider for all of the services provided at each visit cited in this section subject to the schedule set forth in this section. Nothing in this section shall apply to a commercial health insurance policy issued as a companion to a health maintenance organization contract.

"Child health supervision services" means pediatric preventive services, appropriate immunizations, developmental assessments, and laboratory services appropriate to the age of a child from birth to age six. Reimbursement must be made for at least five child health supervision visits from birth to 12 months, three child health supervision visits from 12 months to 24 months, once a year from three years old to six years old.

"Perinatal care services" means the comprehensive package of medical and psychosocial support provided throughout the pregnancy, labor, delivery, and postpartum period including risk assessment, serial surveillance, prenatal education, use of specialized skills and technology, when needed, observation of the mother and infant, preparation for discharge, and follow-up during the postpartum period.
