

(g) When damage to a rented vehicle is covered by a plan of reparation security as provided under paragraph (a), the rental contract must state that payment by the reparation obligor within the time limits of section 72A.201 is acceptable, and prior payment by the renter is not required.

(h) To be compensated for the loss of use of a damaged rented motor vehicle, the car rental company must prove:

(1) that had the vehicle been available, it would have been rented; and

(2) that no other vehicle was available for rental in place of the damaged vehicle.

The standard of proof set forth in this paragraph does not limit the responsibility of a reparation obligor to provide an insured with coverage for any loss of use for which the reparation obligor is otherwise responsible. A car rental company may be compensated for loss of use of a damaged rental motor vehicle only for the period when the damaged car actually would have been rented.
