**Sec. 8. REIMBURSEMENT REQUIRED.**

(a) \$32,220.40 of the money appropriated from the general fund to the attorney general for fiscal year 1994 must be used to reimburse businesses for legal costs described in paragraph (b).

(b) Legal costs that may be reimbursed are attorney fees and court costs incurred by a business as a result of offers made by an agent of the attorney general in 1993 to remove hazardous waste in an illegal manner. A business may not seek or receive reimbursement under this section if the business incurred an administrative, civil, or criminal penalty related to the hazardous waste removal offered by the agent of the attorney general. A business seeking reimbursement under this section must file a claim containing information requested by the commissioner of finance, and must, as a condition of receiving reimbursement under this section, waive any and all claims against the state or its agents arising from the offers to remove hazardous waste described above. Payment may be made only upon receipt of a written release by the claimant in a form approved by the attorney general.
