(b) **TEMPORARY SUSPENSION.** In addition to any other remedy provided by law, the board may, without a hearing, temporarily suspend a license for not more than 60 days if the board finds that a pharmacist has violated a statute or rule that the board is empowered to enforce and continued practice by the pharmacist would create an imminent risk of harm to others. The suspension shall take effect upon written notice to the pharmacist, specifying the statute or rule violated. Sec. 3. [151.102] PHARMACY TECHNICIAN.

A pharmacy technician may assist a pharmacist in the practice of pharmacy by performing nonjudgmental tasks and works under the personal and direct supervision of the pharmacist. A pharmacist may supervise two technicians, as long as the pharmacist assumes responsibility for all the functions performed by the technicians. Nothing in this section prohibits the board of pharmacy from operating according to established rules setting ratios of technicians to pharmacists greater than two to one for the functions specified in rule. The delegation of any duties, tasks, or functions by a pharmacist to a pharmacy technician is subject to continuing review and becomes the professional and personal responsibility of the pharmacist who directed the pharmacy technician to perform the duty, task, or function.
