

(1) a grant to the Minnesota licensed family child care association for statewide implementation of the family child care mentorship model developed by the association;

(2) a grant to the Minnesota child care apprentice/mentor program to modify the apprentice/mentor program for statewide implementation through the child care careers program of the community/technical college system;

(3) a grant to expand project impact, which prepares child care providers and staff who are members of a community of color, as that term is defined in Minnesota Statutes, section 257.076, subdivision 3, to meet or exceed the education and experience requirements of assistant teachers, teachers, and family day care providers in licensed child care programs;

(4) expansion of the Minnesota child care apprentice/mentor program, which prepares child care center staff to meet or exceed the education and experience requirements of teachers in licensed child care centers;

(5) grants to the regional child care resource and referral programs under Minnesota Statutes, section 119B.18, and education and training loans made by the regional child care resource and referral programs under the loan program established in section 119B.18. No more than 2.5 percent of this appropriation may be used for administration of the loan program; and

(6) a grant to a nonprofit corporation under Minnesota Statutes, section 119B.25. Up to five percent of the grant may be used by the department and the nonprofit corporation to administer the loan program including costs associated with setting up an information system to administer child care and early childhood education facility loans.
