CHAPTER 113—S.F.No. 308

An act relating to mining; specifying duties of owners and operators when operations are discontinued; amending Minnesota Statutes 2002, section 93.003.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 2002, section 93.003, is amended to read:

93.003 IRON MINING; CONDITIONS.

Subdivision 1. DUTY TO MAINTAIN MINE. Legal authority to mine and process iron ore, a basic irreplaceable natural resource of the people of the state of Minnesota, is subject to the conditions of this section. When the owner or operator of an iron mine or related production or beneficiation facilities determines to discontinue the operation of the mine or facilities for any reason it shall maintain the mine or facilities in salable operating condition for at least two years after it discontinues operation in order to allow the state of Minnesota and other interested public and private bodies to seek a new owner and operator. The requirement imposed by this section is a preliminary and permanent requirement on the right of an owner to commence or continue the operation of an iron mine or related facilities. This requirement is enforceable on all owners and operators and successors of owners and operators and shall be enforced by the state in any action in bankruptcy or other litigation that may affect it.

Subd. 2. TEMPORARY MAINTENANCE PLAN. At least 60 days before the owner or operator of an iron mine or related production or beneficiation facilities determines to discontinue the operation of the mine or facilities, it shall submit a temporary maintenance plan to the state for approval. The plan must provide for:

(1) the orderly shutdown of the mine and facilities, including:
